

LCB File No. R100-09

**PROPOSED REGULATION OF THE
STATE PUBLIC WORKS BOARD**

SB 43 revises the criteria that the State Public Works Board is required to adopt to determine the qualification of bidders on contracts for public works to include whether the applicant has been disciplined or fined by the State Contractors' Board or another state or federal agency for conduct that relates to the ability of the applicant to perform the public work.¹

**NAC 338.240 Criteria for qualification; pertinent documentation and information.
(NRS 338.1375)**

1. The following criteria must be used to determine whether a prime contractor is qualified to bid on a contract for one or more public works:

(a) The financial ability of the prime contractor to perform the contract. The prime contractor must include with the application submitted pursuant to NAC 338.250:

(1) A certified original statement of the bonding capacity of the prime contractor obtained from a surety which is authorized to issue bid, performance and payment bonds in this State and which:

(I) Has received a rating of "A-" or better, as determined by A.M. Best Company of Oldwick, New Jersey; and

(II) For a contract that:

(i) Is more than \$5,000,000, is classified in a financial size category of "VII" or better, as determined by A.M. Best Company of Oldwick, New Jersey, and is included on the list of approved sureties in Circular 570 of the Department of the Treasury; or

(ii) Is \$5,000,000 or less, is included on the list of approved sureties in Circular 570 of the Department of the Treasury.

↳ The requirements of sub-subparagraphs (I) and (II) do not apply if the surety is Lloyd's of London. The certified original statement must specify the single and aggregate limits on and the available bonding capacity of the prime contractor to work on a public work.

(2) Evidence that the prime contractor is properly licensed pursuant to chapter 624 of NRS.

(3) A statement regarding whether the prime contractor, principal personnel or any business entity associated with the principal personnel has filed as a debtor under the United States Bankruptcy Code during the 5 years immediately preceding the date of the application.

(b) The qualifications of the principal personnel of the prime contractor. The prime contractor must include in the application submitted pursuant to NAC 338.250 a description of the professional qualifications and relevant experience of the principal personnel of the prime contractor and list not more than 10 public works and private construction projects, or any combination thereof, within the cost category for which the prime contractor is applying that

¹ The version referenced above was revised twice in the last session (see LCB file no. R189-07 and R071-08); the revisions have been adopted but not codified. Therefore, for clarity these revisions are reflected in the 2004 version of the regulation.

have been successfully completed by the principal personnel. For each such successfully completed project included on the list, the prime contractor must provide:

- (1) The name of the project;
- (2) The scope of the project or work done;
- (3) The dollar amount of the project; and
- (4) The month and year of substantial completion and final completion of the project.

(c) Whether the prime contractor, the principal personnel or any business entity associated with the principal personnel has been found to be in breach of contract by a court of competent jurisdiction or through binding arbitration during the 5 years immediately preceding the date of the application. For each such action, the prime contractor must include in the application submitted pursuant to NAC 338.250 a description of:

- (1) The circumstances surrounding the action;
- (2) Whether any liquidated damages were imposed in connection with the action; and
- (3) Any judgment entered against the prime contractor, the principal personnel or business entity associated with the principal personnel relating to the action.

(d) Whether the prime contractor, the principal personnel or any business entity associated with the principal personnel has been disqualified from the award of any contract pursuant to NRS 338.017 or 338.13895 during the 5 years immediately preceding the date of the application.

(e) The past performance history of the prime contractor, the principal personnel and each business entity associated with the principal personnel during the 5 years immediately preceding the date of the application. The prime contractor must include in the application submitted pursuant to NAC 338.250:

- (1) A description of:

(I) Any civil judgment, findings of fact, administrative proceeding, criminal conviction or binding arbitration relating to a violation of any law pertaining to wage and hour standards, prevailing wage rates or licensing either against or by the prime contractor, principal personnel or business entity associated with the principal personnel; and

(II) Any civil judgment, findings of fact, administrative proceeding, criminal conviction or binding arbitration relating to a violation of any law pertaining to discrimination in employment with respect to construction work performed by the prime contractor either against or by the prime contractor, principal personnel or business entity associated with the business personnel.

(2) A list of all public works and private construction projects undertaken or completed by the prime contractor, principal personnel or business entity associated with the principal personnel during the 5 years immediately preceding the date of the application for which the cost exceeded \$25,000 and for which:

(I) The prime contractor, principal personnel or business entity associated with the principal personnel failed to substantially complete the contract within the deadline for completion of the project specified in the contract, as adjusted by any change order or extension of time granted;

(II) The prime contractor, principal personnel or business entity associated with the principal personnel failed to complete any remaining requirements of the contract within 90 days after substantial completion of the contract; or

(III) The prime contractor, principal personnel or business entity associated with the principal personnel failed to complete the contract and the remaining work on the project was performed by another person.

(IV) Whether the applicant has been disciplined or fined by the State Contractor's Board or another state or federal agency for conduct that relates to the ability of the applicant to perform the public work.

(3) If the application is for qualification for a 2-year period, a list of not more than 10 public works and private construction projects, or any combination thereof, that the prime contractor and the principal personnel, and, if applicable, any other business entity associated with the principal personnel, have successfully completed during the 5 years immediately preceding the date of the application and for which the cost of each of those projects is within the cost category for which the prime contractor seeks qualification to submit bids. For each project included on the list, the prime contractor must provide:

(I) The name of the project;

(II) The location of the project;

(III) The cost of the project;

(IV) A brief explanation of the type of work performed on the project; and

(V) The name, address and telephone number of the owner of the project, the owner's project manager, and the architect or engineer of the project.

(4) If the application is for qualification on a specific public work, a list of all public works and private construction projects undertaken or completed by the prime contractor, principal personnel or business entity associated with the principal personnel during the 5 years immediately preceding the date of the application for which the level of complexity or special requirements of the project were similar to the complexity or special requirements specified by the Board in the application for the specific public work. For each project included on the list, the prime contractor must provide:

(I) The name of the project;

(II) The location of the project;

(III) A brief explanation of the type of work performed on the project; and

(IV) The name, address and telephone number of the owner of the project, the owner's project manager, and the architect or engineer of the project.

2. In addition to the information provided by a prime contractor, any other verifiable information relating to the criteria set forth in subsection 1 that is provided to or discovered by the Board or its employees regarding the prime contractor may be used to determine whether the prime contractor is qualified to bid on one or more contracts for public works.
