## **WORK SESSION DOCUMENT**

**ADVISORY COMMISSION ON THE ADMINISTRATION OF JUSTICE**  
*(Nevada Revised Statutes 176.0123)*

**October 10, 2018**

The following “Work Session Document” was prepared by the staff of the Advisory Commission on the Administration of Justice (“Advisory Commission”). (NRS 176.0123) The document contains recommendations that were presented during hearings or submitted in writing during the course of the 2017-2018 interim.

The possible recommendations listed in the document do not necessarily have the support or opposition of the Advisory Commission. Rather, the recommendations are compiled and organized to assist the members for voting purposes during the work session. The Advisory Commission may adopt, change, reject or further consider any recommendation. The recommendations contained in this document are arranged by topic under broad categories to allow members to review related issues and are not listed in preferential order. It should also be noted that any of the possible recommendations listed may or may not have fiscal impact. Potential fiscal impacts have not been determined by staff at this time, and may result in any recommendations for legislation resulting in a fiscal note. The Advisory Commission may choose any of the following actions for each recommendation: (1) propose legislation to amend the Nevada Revised Statutes; (2) draft a resolution; (3) draft a letter encouraging or supporting a particular recommendation; or (4) include a policy statement of support in the final report.

Pursuant to NRS 176.0125, the Advisory Commission is charged with examining various aspects of the criminal justice system and, prior to the next regular session of the Legislature, must prepare and submit to the Director of the Legislative Counsel Bureau a comprehensive report including the findings of the Advisory Commission and any recommendations for proposed legislation. The Advisory Commission is not specifically allocated bill draft requests pursuant to statute; however, individual Legislators or the Chair of any standing committee may choose to sponsor any Advisory Commission recommendation for legislation.

Additional recommendations may be considered based on discussions held and presentations made at the October 10, 2018, hearing. Please see the agenda for details concerning scheduled presentations on topics to be considered at that hearing.

## **RECOMMENDATIONS**

### **PROPOSALS RELATING TO SUPPORT ADDITIONAL FUNDING FOR CERTAIN AGENCIES RELATED TO THE CRIMINAL JUSTICE SYSTEM**

1. The Nevada Sentencing Commission considered a number of recommendations at its work session on August 29, 2018. The Nevada Sentencing Commission approved 3 proposals for issuing correspondence relating to support additional funding for certain agencies related to the criminal justice system. This recommendation seeks to support those recommendations by drafting a letter to the Governor and Legislature to express support for additional funding for:
  - a. The Division of Records, Communications and Compliance of the Nevada Department of Public Safety for increased funding for staffing and technology for the Central Repository for Nevada Records of Criminal History.
  - b. The Division of Parole and Probation, the Department of Corrections and the Board of Parole Commissioners.
  - c. An additional \$3 million appropriation to the Specialty Court Program in Nevada.

### **PROPOSALS RELATED TO WRONGFUL CONVICTIONS**

2. Draft legislation to require recording of custodial interrogations.

According to document submitted by the Innocence Project, electronic recording of custodial interrogations in their entirety provides a complete and irrefutable account of what transpired during closed-door sessions. This would enhance accuracy and confidence in the criminal justice system. Mandatory electronic recording of interrogations provides a safeguard against wrongful convictions stemming from false confessions. A majority of Nevada law enforcement agencies record interrogations in some form, however there is currently no uniform statewide practice.

### **PROPOSALS CONCERNING THE STATUTORY DUTIES OF THE ADVISORY COMMISSION ON THE ADMINISTRATION OF JUSTICE**

3. Revise provisions of NRS governing the issues examined by the Commission, the Subcommittees of the Commission and attendance at meetings by members of the Commission. (See Attachment A)
