RE: SB311

Dear Nevada Legislators:

SB311-

In regards to SB311, I write this letter in support of this change to the NRS.

By allowing a person to transfer tag a tag to a person under the age of 18 provides opportunity. Currently, Nevada is seeing drastic declines of most our big game species across the state, making it harder and harder to draw these coveted tags.

By adding this language to the NRS, it will allow youth to have greater opportunities to hunt and participate as big game tags continue to decline across the state.

I look to you to support SB311 as this would provide additional hunting opportunity for our youth in Nevada.

Best regards,

Ryan Browne`
