RE: Support of SB259

To Members of the Committee:

On behalf of the Henderson Chamber of Commerce and our over 1,800 members, most of which are small businesses, we write to express our support for SB259.

This bill will allow wineries to expand their business in a responsible manner while easing regulations that can stifle their growth. As some of our small business members are wineries, we urge you to support SB259.

Thank you to the Committee. We stand ready to work with you to create policy that will help the businesses community in Nevada.

Thank you,
