The Board Order stated: 1) Truckee Meadows Veterinary Hospital shall be subject to random inspections at staff's discretion and at Licensee's expense; and 2) Pay attorney fees, investigative costs and Board costs, totaling \$400.00 and pay an administrative fine of \$1000.00.

**Kristen Clark, DVM                    March 23, 2007**

That on or about January 19, 2007, information had come to the attention of the Board that Dr. Clark had allegedly violated provisions of Chapter 638 of the Nevada Revised Statutes (NRS) and the Nevada Administrative Code (NAC) regarding allegations including, but not limited to acquiring a controlled substance from a pharmacy or other source by misrepresentation, fraud, deception, or subterfuge. Dr. Clark voluntarily surrendered her license to practice veterinary medicine.

A consumer complaint was filed with the Board on April 4, 2007. The complaint was investigated and it was determined that the Licensee had violated Nevada Administrative Code (NAC) 638.045 (1), Negligence, a departure from the standard of practice of veterinary medicine, in that the Licensee did not inform the owner of the condition of her horse or the potential for euthanasia; and 2) NAC 638.0475 (i), in that there was insufficient information in the medical record to justify the diagnosis or determination of the medical status of the animal and to warrant any treatment recommended for or administered to the animal.

The Board Order stated that the Licensee must pay attorney fees, investigative costs and Board costs, totaling \$400.00.
