

Board of Examiners

Audit Highlights

Highlights of Legislative Auditor report on the Board of Examiners, issued on May 8, 2002.
Report # LA02-21.

Purpose of Audit

Our audit included a review of the Board of Examiners' activities related to budget accounts directly administered by the Board during fiscal year 2001. This included transactions of the reserve for statutory contingency, emergency, stale claims, and salary adjustment accounts. Other duties of the Board were not included in the scope of our audit because these functions have been delegated to other agencies or included in recent legislative audits.

The objective of our audit was to evaluate the Board's financial and administrative practices including whether activities were carried out in accordance with applicable laws and policies.

Audit Recommendations

This audit report contained no recommendations.

Results in Brief

The Board of Examiners complied with laws and policies significant to the administration of the Board's activities. Consequently, this report contained no findings or recommendations.
