

LCB File No. R195-97

**PROPOSED REGULATION BY THE BOARD OF PODIATRY**

**635.035 Examination: Designation; passage; eligibility.**

1. The board designates the podiatry licensing examination prepared under the sponsorship of the National Board of Podiatric Medical Examiners as the licensing examination for podiatrists in this state.
2. Each applicant must take and pass the examination conducted by the board in Nevada.
3. To pass the examination, an applicant must receive a [scale] *criterion referenced scale* score of at least 75 [percent] on each part of the examination.
4. To become eligible to take the examination in Nevada, the applicant must file a completed application and provide proof satisfactory to the board that he meets all of the qualifications for licensure other than passage of the examination.
