

MEETING of the COMMITTEE on STATE, COUNTY, and CITY AFFAIRS held at 2:00 p.m., January 17, 1967 in Room 43. Present were Garfinkle, Dini, Wooster, Bryan Hafen, McKissick, Smith, Roy Young, and Chairman Hilbrecht.

The Chairman opened the meeting and discussed several areas of probable legislation including the consolidation of services, proposals of Clark and Ormsby Counties. A proposal to radically alter the urban renewal program with state legislation, and a distinction between matters to be handled by select committees of the delegations affected, and issues of state-wide significance requiring action of this committee.

The members of the committee being composed of nine persons, and seven being in attendance, it was determined that a forum was present for the purpose of conducting the business of the committee.

Discussions were had regarding meeting of the committee and it was tentatively suggested that the hour of 3:00 p.m. be adopted subject to the later action of the committee.

It was moved by Mr. McKissick and unanimously passed that the Chairman be instructed to obtain a secretary for the purpose of recording all proceedings of this committee. Mr. McKissick served on this committee in former sessions and indicated it would have a great volume of business requiring the testimony of a number of expert witnesses.

Mr. Homer appeared for the purpose of explaining AB No. 5 which he prepared in collaboration with Mr. Jacobsen. Since formal printed copies of the bill were not available, it was decided to defer action on AB No. 5 until tomorrow during some recess when it would be hoped the matter could be disposed of.

There being no further business, the meeting was adjourned upon motion of Mr. Garfinkle.
