AB 804 - Requires creation of office of public
defender in counties having a population of
75,000 or more.

Senator Swobe felt the option of appointing a
public defender had been left to the Washoe County Commissioners
for a number of years and nothing had been done about it
and it was time something was done to create a public defender.

Senator Swobe moved to recommend "Do Pass".
Senator Dodge seconded.
Motion carried.

Meeting adjourned at 2:50 p. m.
