MINUTES OF MEETING - COMMITTEE ON EDUCATION - 56TH SESSION  
MARCH 1, 1971

PRESENT: Swallow, Smalley, White, Hawkins, Wilson

ABSENT: Foote, Frazzini

GUESTS: Las Vegas Senior Girl Scouts  
Stan Cooper, Reno Press

Chairman convened the meeting at 10:15 A.M. He mentioned the main reason for having this meeting was to take action on AB 3 which had now been amended to the satisfaction of all concerned. He said that he would prefer to take action with all members present but that he felt that Mrs. Frazzini and Miss Foote had told him they were now in favor of it.

Mrs. White mentioned that one amendment that had been made was the position of the Governor and the Board was reversed and Mr. Larson had gone through the bill and reversed it so the Board would make the appointments and the Governor would certify and that was the main thing that was done. We still have twenty-one members, she said.

Mr. Wilson said that he could probably tell them why. In order to get into all the areas involved the number of persons in the State Department of Education it was necessary to keep the number that large.

Someone asked if the purpose wasn't to cut costs.

Mr. Wilson explained that at this time the present budget is based largely on what we get from the Federal Government and at least for the fiscal year it is set.

Chairman asked if the cost to the state would be minimal then.

Some discussion followed.

Mr. Smalley made the motion to do pass as amended on AB 3.

Motion seconded.

Motion carried
