

MINUTES of April 15, 1971

MEMBERS

PRESENT: Chairman, Mary Frazzini, Frank Young, Nick Lauri, Marge Foote,  
Juanita White, Ross Prince.

ABSENT: Darrell Dreyer

OTHERS

PRESENT: Perry Burnett, Legislative Counsel Bureau.

The meeting was called to order at 3:10 p.m., Room 222, by Chairman, Mary Frazzini, to discuss BDR 24-2217.\*

This act provides for an amendment to A.B. 792, of the 56th session by adding two new sections, sections 6 and 7. Mr. Burnett remarked that this shows how the system proves itself.

In preparing A.B. 792, this was missed and an effort had to be made to pull together what might be necessary supporting sections for the three bills introduced by the Elections Committee. In reviewing 1969 legislation, it was noted that, in turning to the original bill, it contained 293.393 and 293.395, which were not picked up in the present A.B. 792. Over-all, it could be considered a final clean-up of the revisions to the elections laws.

Motion for a "Do Pass" on BDR 24-2217 was made by Frank Young, seconded by Nick Lauri and carried.

The meeting adjourned at 3:25 p.m.
