March 17, 1971

PRESENT: N. Lauri, Chairman, R. Young, , W. Wilson,
N. Glaser, J. Schofield and R. Torvinen

ABSENT: D. Mello

The meeting was called to order by Chairman, N. Lauri, at 10:50 a.m., in the Assembly Lounge, to consider the following:

A.J.R. 36 Memorializes United States Postal Service to make V & T Railroad subject of commemorative stamp issue.

Motion for D. Pass on A.J.R. 36 was made by N. Glaser, seconded by J. Schofield. Motion carried.

A.R. 26 - Adopts new Assembly Standing Rule concerning introduction of skeleton bills relating to legislative reapportionment and redistricting.

Motion for Do Pass on A.R. 26 was made by J. Schofield, seconded by N. Glaser and carried.

Mr. Lauri read a note from Terry Loy, Chief Clerk, requesting that the facilities of the Stenographer Pool be used for Legislative matters only and not for personal work. It was suggested by N. Glaser the a memorandum be put out to all Legislators that the pool is being over-loaded and it would be appreciated if the Assemblymen would confine their letter writing to legislative matters. No action was taken since some of the committee members stated it would be very difficult to know where to draw the line. It was suggested, however, that more use of the dictating rooms be made.

Meeting adjourned at 11:05 a.m.
