

SELECT COMMITTEE - 56TH ASSEMBLY SESSION

Minutes of Meeting of April 22, 1971

PRESENT: N. Lauri, Chairman, Roy Young, D. Mello, W. Wilson,
N. Glaser, Jack Schofield and Speaker of the Assembly
Lawrence Jacobsen. (Absent - Roy Torvinen)

The meeting was convened by Chairman, Nick Lauri, in Room 222 at 11:30 a.m. to discuss and take action on the following:

S.B. 653 - Directs Public Employees' Retirement Board to have study made of public employees' retirement system and make recommendations.

This bill is similar to the Assembly plan, which had been passed, however it provides for payment from the fund rather than the Legislative Commission. It was decided to withhold action on this bill until Senator Gibson could be contacted, regarding the status of A.C.R. 41. Mr. Schofield will do this and report back to the committee.

A.B. 829 - Amends various provisions relating to legislative and other state printing.

Mr. Lauri read the amendments as proposed by Pat Brady, of the State printing office. On page 7, line 35, he suggests deleting the brackets and inserting on line 39 and. This cost system must be maintained by the state office if they wish to do work for the Federal Government. Members of the committee remarked that use of the "Franklin System" was a very good idea, in order to arrive at fair charges for printing and reproduction by the State Printing Office.

Mr. Jacobsen went on to explain further provisions of the proposed legislation saying that the Franklin system would help them set up some guidelines for costs. He explained further some of the costs incurred by the State Printing Office, which probably should be absorbed by other state agencies, especially in the area of Legislative material.

Mr. Jacobsen believed that the entire bill should be discussed. Even though it was drawn up at his request, there were parts of it which he questioned. There are parts of it that pertain to the Legislative Counsel Bureau which should be discussed. Since there was not sufficient time to accomplish this, a meeting for this afternoon was called. This will be held at the afternoon recess.

The meeting adjourned at 12:10 p.m.
