AB 753 - Increases types of services for which county may grant exclusive franchise.

Chairman Gibson said that it would be necessary to go to conference on this bill as we will not concur with amendments put in by the Assembly Committee on Government Affairs.

SB 293 Modifies procedure for filing plats and broadens definition of "subdivision".

It was explained that the Assembly Committee on Government Affairs had amended this bill with regard to the "three mile" provision, which was done there at the request of the small counties. Senator Swobe moved "we do concur", seconded by Senator Dodge. The motion carried.
