5. Chairman Foote advised we are getting some interesting amendments and have some conflict notices, mentioning that some of the bills involved are AB 10 (Clint Wooster of the Bill Drafting department advised he would be happy to sit down with the committee and explain all this bill does if they so desire.); AB 11; and AB 235, which apparently has some conflicts with AB 253. She advised when these bills come up on the agenda, she will notify those whose thoughts or comments would be beneficial to the committee so that they could be in attendance if possible.

6. ADJOURNMENT

Chairman Foote asked if there was any other business to come before the Committee. There was none so she entertained a motion for adjournment. Motion was made by Assemblyman Ford the meeting be adjourned. Motion was seconded by Assemblyman Huff. Meeting was adjourned at 4:25 P.M.

Minutes respectfully submitted by
