AB 176 - Provides a fund within national guard organizations
for the use in military activities and affairs and to

General Edsall explained to the committee that he felt that
this bill, which would allow the local unit of the Guard to
keep half of the rent from the armories, would be beneficial
to the units. He explained that now the money goes into the

could keep half the rent and establish a welfare fund and
money for upkeep. This would make the local units more interest-
ed in renting the building and in maintaining them.

Assemblyman Brookman seconded the motion.
The motion carried unanimously.
