TRANSPORTATION COMMITTEE  
January 18, 1973

Members Present: Messrs. Glover, Dreyer, May, Smalley, Howard,  
Jacobsen

Members Absent: Mr. Bickerstaff

The meeting was called to order by Chairman Glover.

After a short discussion of A.J.R. 3, Mr. Jacobsen made a motion to pass the bill out of committee. The motion was seconded by Mr. Howard and unanimously passed.

Mr. Glover stated that we will need more information on some bills; one of which is A.B. 36. Mr. Howard then gave a short background on the bill. Mr. Glover suggested that Mr. Hill of the Motor Vehicle Department be present on January 23, 26, and 30, to give testimony before the committee. All members concurred on this arrangement.

Each bill was then discussed separately and scheduled for one of the three days when Mr. Hill would be present. (See schedule attached.) A.B. 44, 41, and 39, were not back from the printer and will be scheduled at a later date.

Mr. Howard said that testimony of an optometrist might be helpful on A.B. 40. Mr. Glover stated that he would have one present on the date of the discussion of the bill.

During the discussion of A. B. 42, Mr. Dreyer suggested that the State Health Department and a coroner would have some information on the subject. Mr. Glover said he would ask that a representative from the Health Department and a coroner be present when the bill was discussed.

Mr. Jacobsen stated that he thought a visit to the Driver's License Bureau should be made before they discussed any bills pertaining to that subject. Mr. Howard suggested that a visit should be made to the Department of Motor Vehicles also. Both visits will be scheduled at a later date.

Mr. Jacobsen moved to adjourn the meeting. Mr. Howard seconded the motion and the motion was carried. Chairman Glover adjourned the meeting.

Respectfully submitted,

La Donna Moore
