Guests Present: Mr. Richard Bunker, Las Vegas

The meeting was called to order by Mr. Murphy at 8:02am.
The purpose of the meeting was to discuss Senate Bill 32.

SENATE BILL 32

Mr. Earl Oliver, Legislative Auditor, explained that this bill is a recommendation of the Legislative Counsel in as much as the Legislature accomplishes its own payroll instead of having the Controller's office as it was before. He added that the language in this bill is essentially the same language as in the Administrative law for the Controllers office.

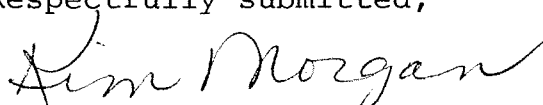

Mr. Frank Daykin told the committee that it was necessary to separate the new language so as not to take away from the authority of the Controller and disturb his administrative role.

COMMITTEE ACTION
SENATE BILL 32

Mr. Mann motioned for a DO PASS and was seconded by Mr. Moody, passed unanimously.

The committee discussed the legislation they would be hearing during the next few weeks. There being no further business, the meeting was adjourned at 9:15.

Respectfully submitted,

Kim Morgan, Committee Secretary
