Mrs. Wagner

A special meeting was called by Chairman Vergiels for the purpose of taking action on A.B. 399, A.B. 401, A.B. 402 and A.B. 650.

ASSEMBLY BILLS 399, 401, and 402

Chairman Vergiels explained that Senator Keith Ashworth had asked that A.B. 399, 401 and 402 be acted upon so that they could be studied by his committee in conjunction with other education bills, if they were to be passed out of the Assembly.

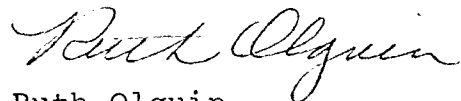

It was moved by Mr. Stewart, seconded by Mr. Malone, that A.B. 399, 401 and 402 be recommended Do Pass. The motion carried unanimously.

ASSEMBLY BILL 650

A.B. 650 was brought back to the committee by Mr. Stewart for review on technical changes in the amendments. There were no objections to the changes.

The meeting was adjourned by Chairman Vergiels.

Respectfully submitted,

Ruth Olguin
Committee Secretary
