Chairman Dini called the meeting to order at 8 A.M.

AJR 26 - PROPOSES TO AMEND NEVADA CONSTITUTION TO
ELIMINATE REQUIREMENT THAT LEGISLATURE
FIX COMPENSATION OF COUNTY OFFICERS

RUSSEL McDONALD

Mr. McDonald advised the Committee the Bill was sponsored by the Nevada Association of County Commissioners. He stated a similar resolution has been introduced in each session of the Legislature since 1953 without success. He advised the Committee all it does is knock out the requirement that the Legislature set the compensation of elected county officers.

JERRY MILLIGAN, representing Clark County Assessor

Mr. Milligan advised the Committee they were in opposition to the Bill. He stated they felt the County Commissioners should establish the pay scale.

Testimony was concluded on the Bill.

AB 682 - EXTENDS TIME ALLOWED FOR ADOPTING COUNTY
ORDINANCES

RUSSELL McDONALD

Mr. McDonald advised the Committee the Bill was

suggested by him. He advised some County Commissioners meet once a month, some meet twice a month, and in Washoe County they meet every Tuesday. He went on to elaborate on the extensive procedure and advised the Committee it should give them a pretty good handle on not having to act three days later.

AB 633 - AUTHORIZES APPROPRIATE COUNTY OFFICIALS
TO REMOVE OBSTACLES AND ENCROACHMENTS
FROM PUBLIC HIGHWAYS

RUSSELL McDONALD

Mr. McDonald advised the Bill is the request of Washoe County. He stated the only existing law with respect to obstructions on public highways is found in section 405.230; if there is an obstruction, the section requires that you go to Court and get an Order to remove it.

A discussion ensued between Committee members and Mr. McDonald, generally, concerning encroachments and Mr. McDonald elaborated on various types of obstacles.

Testimony was then concluded on the Bill.
