The meeting was called to order at 9:15 a.m.

The members present discussed the various resolutions, including those from the Senate and those from the Assembly which they felt should be acted upon. Senator Echols stated that all the Assembly Resolutions had been voted upon in the Senate and passed.

Mrs. Westall stated that she wished to discuss with the committee SB 527, SB 542, SB 581 and the other resolutions she felt should be acted upon. After some brief explanatory comments, she stated that she would further discuss these items with the committee at a meeting at her desk on the floor of the Assembly since there weren't enough of the members present to take action on any of the measures.

There being no further action to come before the committee, the meeting was adjourned at 9:30 a.m.
