Senate Committee on Government Affairs

Date: May 10, 1979

Page: One

Present: Chairman Gibson  
Senator Dodge  
Senator Ford  
Senator Kosinski  
Senator Raggio

Also Present: Sam Mamet, Clark County

Chairman Gibson called the forty-sixth meeting of the Senate Government Affairs committee to order at 4:30 p.m. to go over the amendments that were agreed upon by the committee.

Russ McDonald presented Chairman Gibson with the amending language for AB-801. Chairman Gibson reviewed these suggested amendments with the committee. (See Attachment #1)

The committee concurred with the language and the following motion was made:

Senator Dodge moved "Amend and Do Pass" on AB-801  
Seconded by Senator Raggio  
Motion carried unanimously.

Chairman Gibson also went over the amending language on AB-675. This language was also prepared by Russ McDonald and the Chairman informed the committee that the language had been approved by bond counsel.

Senator Dodge moved "Amend and Do Pass" on AB-675  
Seconded by Senator Raggio  
Motion carried unanimously.

Chairman Gibson asked Senator Raggio to get the amendments to the bill drafter for reprinting.

SB-51 Removes 95% salary limitations imposed upon public officers and employees.

Senator Raggio stated that the bill is being amended so the elected officers may directly appeal to interim Finance for exemptions on the 95% limitation. I does not cover subordinates to the elected official. There is an inconsistency, at the present time, between the appointed and elected officials and this bill makes the statutes on the 95% limitation consistent.

Senator Raggio moved "Amend and Do Pass"  
Seconded by Senator Dodge  
Motion carried unanimously.

Senator Ford also stated that the bill should be held until she could get the appropriate amendments or if the committee approved, the amendment could come from the floor as a committee amendment.

The committee concurred to include Senator Ford's amendment and it would come from the floor as a committee amendment. The following motion was made:

Senator Ford moved to Amend SB-51 with the amendment noted above,  
Seconded by Senator Raggio  
Motion carried unanimously.

Senator Ford further clarified that the bill will affect impacted State employees and will apply to those applicants that are affected by their unclassified supervisor. (Chapter 281.123 of NRS)

Chairman Gibson asked the committee to consider replacing the Taxi Cab Authority in AB-523 with Administrative Health Services. The Chairman felt that this agency would provide a better study on how the program will work. The bill would have to be amended to include some of the language that is provided in SB-318 as this agency is not a regulatory agency and the questions will be different.

The committee concurred with the suggestion noted by Chairman Gibson

Senator Kosinski asked the committee to look at the proposed amendments on SB-255 (See Attachment #2) in conjunction with the second and third reprints of the bill.

Senator Ford concurred with the amending language but Senator Dodge stated that he could not concur with the amendments changing the salary provisions for legislators on interim assignments.

Chairman Gibson stated that the committee should go to conference because the changes are not germane to the bill. The committee concurred with this suggestion and did not concur with the amendments.

With no further business the meeting was adjourned at 5:15 p.m.

Respectfully submitted,

Janice M. Peck  
Committee Secretary

Approved:

Chairman  
Senator James I. Gibson
