do enact as follows:***

- 1 SECTION 1. NRS 396.620 is hereby amended to read as follows:  
2 396.620 1. [In addition to his other duties as fixed by law, the]  
3 *Subject to the limitations specified in NRS 396.620 to 396.660, inclu-*  
4 *sive, the president of the university shall cause to be analyzed by an*  
5 *[assistant, teacher or teachers employed at] appropriate employee of*  
6 *the university any ores, minerals, soil or water taken from within the*  
7 *boundaries of the State of Nevada, and sent by any citizen of the State*  
8 *of Nevada for that purpose. [The work shall be restricted to both*  
9 *Nevada samples and citizens, and limited in number as prescribed in*  
10 *NRS 396.620 to 396.660, inclusive.] Persons sending samples from*  
11 *post offices in states bordering Nevada may be required to furnish evi-*  
12 *dence that their samples are taken in Nevada and that they are Nevada*  
13 *citizens. Any citizen of the state may send any such substance [as has*  
14 *been described, within the limitations as provided, and have the same ana-*  
15 *lyzed free of charge,] for analysis and have the results [of the same]*  
16 *mailed to him within 10 working days after it has been received, [pro-*  
17 *vided] if he has supplied the university with the information for its rec-*  
18 *ords as provided in this section. The report sent him [shall] must also*  
19 *contain as nearly as possible an explanation of [their] the uses and*  
20 *market value [.] of the substance.*  
21 2. [There shall be kept at the university] *For each sample sent for*  
22 *analysis, the university shall charge a fee of \$5 which must be used to*  
23 *defray the expense of conducting the analysis and storing the sample.*

1       3. *The university must keep a record, open for inspection, under*  
2 *such rules as may be made by the board of regents, of all minerals, ores*  
3 *or other matters so sent, with a history of [such] the minerals or other*  
4 *matters, stating the name and residence of the person or persons from*  
5 *whom received, as nearly as possible the location from which the mate-*  
6 *rial was taken, including the district and county, and [all other matters*  
7 *touching the same that may be beneficial.] any other relevant informa-*  
8 *tion. This information for the records may be required to be filed with*  
9 *the university before any work is done on the material sent, and the 10-*  
10 *day limit for reports will count from the time [such data] the information*  
11 *is received at the university. [Blanks for the same shall] Forms for pro-*  
12 *viding the information must be printed by the state printing and records*  
13 *division of the department of general services and distributed free.*  
14       [3.] 4. A portion of the sample analyzed [shall] *must be kept at*  
15 *the university for [a period of] 3 months after the report is sent out, in*  
16 *case any question should arise in relation to the report or additional*  
17 *information be desired. [, after which period] After that time expires,*  
18 *samples may be destroyed or used for any desirable purpose.*
