Biannual Status Report on Audits of Certain State Boards

Nevada Revised Statutes (NRS) 218G.400 requires certain boards to be audited annually or biennially by contract auditors. Alternatively, boards with revenue less than \$200,000 for any fiscal year must complete a self-reported balance sheet. Audit reports and balance sheets must be submitted to the Legislative Auditor and the Chief of the Budget Division on or before December 1 following the end of that fiscal year.

Late Audits Submitted

The Board of Dental Examiners submitted its audit report in March of 2022, and the Nevada State Board of Veterinary Medical Examiners submitted its audit report in January 2022. The Nevada State Board of Veterinary Medical Examiners and the Board of Dental Examiners are now current in filing their required audit reports. All boards are currently in compliance with NRS 218G.400.

Regulatory And Disciplinary Filing Requirements

All boards submitted their required quarterly information for regulatory activities and disciplinary actions to the Legislative Counsel Bureau's website for the preceding four quarterly reporting periods pursuant to NRS 622.100 (quarters ended December 2020, March 2021, June 2021, and September 2021).
