# Memorandum

**Date:** 3/25/2003  
**To:** Chairman Manendo, Assembly Government Affairs  
**Cc:** Assembly Government Affairs Committee Members  
**From:** Stephanie Garcia-Vause, Legislative Advocate *SGV*  
**RE:** AB 67 – City of Henderson Organizational Chart

Attached please find a copy of the current City of Henderson organizational chart. The organizational chart depicts positions in three categories:

- Positions currently excluded from the provisions of civil service,
- Positions proposed to be excluded from civil service requirements through AB 67, and
- Positions unaffected by AB 67 that will continue to be covered by the provisions of civil service.

The positions that are currently excluded from the provisions of civil service through our existing City Charter are highlighted in blue.

Through AB 67 the positions highlighted in yellow are proposed to be excluded from the provisions of civil service. Although Assistant City Attorneys are not depicted on the organizational chart, they report directly to the City Attorney and would also be impacted by the proposed charter change. The Mayor has an Executive Assistant who reports directly to him, this position (although not depicted on the chart) would also be excluded from the provisions of civil service with AB 67.

Additional positions are depicted on the organizational chart, and will not be impacted by the proposed charter change
