**Proposed Amendment to SB 458
Assembly Government Affairs
May 14, 2003**

**Proposed by the City of Henderson
Fire Marshal Jim Madden**

Section 1, Subsection 3, lines 1-26 through 1-30 currently state:

"If an interlocal agreement is entered into pursuant to this section by a local government, the local fire department within that jurisdiction shall exercise the authority and perform the duties of the State Fire Marshal delegated pursuant to the interlocal agreement within that jurisdiction."

This language will not work in Henderson because the authority and responsibility to perform those duties have been delegated by the Fire Chief to the Fire Safety Division of the new Building & Fire Safety Department.

Accordingly, we request that Section 1, Subsection 3, lines 1-26 through 1-30 be amended to read:

"If an interlocal agreement is entered into pursuant to this section by a local government, the chief officer of the organized fire department or his/her designee shall exercise the authority to perform the duties of the State Fire Marshal delegated pursuant to the interlocal agreement within that jurisdiction."
