Subject: SB 458 Workshop

Hi Doyle,

I have heard that there is going to be a workshop for SB 458 (it maybe today). I have a proposed fix to the concerns that I raised during the Hearing for SB 458. Would you please have someone submit the following on City of Henderson's behalf?

ALSO add THE CHIEF OFFICER OF

Add the words ~~and/or building department~~ ^{*OR HIS/HER DESIGNER*} after the words "the organized fire department" to Section 3, Subsection 5, line 28.

Also, add the words ~~and/or building department~~ ^{*OR HIS/HER DESIGNER*} after the words "the local fire department" to the following Sections:

- Section 1, Subsection 3 - page 2, line 27
- Section 9, Subsection 3 - page 8, line 24
- Section 9, Subsection 4 - page 8, line 30
- Section 9, Subsection 5 - page 8, line 36
- Section 11, Subsection 3.(b) - page 10, line 24
- Section 14, Subsection 4 - page 13, line 17
- Section 15, Subsection 3 - page 13, line 36
- Section 16, Subsection 1.(b) - page 14, line 13
- Section 17, Subsection 3 - page 15, line 1

NOTE: ORIGINAL DRAFT of SB 458

Reason: 1. The City of Henderson recently merged their Fire Prevention Division into a new Building and Fire Safety Department. We no longer work directly for the Fire Department.

Reason: 2. Most Fire Prevention Divisions do not perform non-structural fire & life safety plan checks. They are usually performed by their Building Department. For example! Any interlocal agreement for health care facilities would have to include the local jurisdiction's Building Department.

If you have any questions or if I can be of further assistance, please free to give me a call. This week the best way to get a hold of me is to call my cellular phone @ (702) 210-4010, since I will be attending " EduCode" @ the Orleans Hotel & Casino this week.

Thanks,
Jim.
