BOARD OF PAROLE COMMISSIONERS

February 21, 2003

From: David M. Smith, Management Analyst III *DM*

To: Assembly Committee on Judiciary

Subject: AB105

After consultation with administrators within the Department of Corrections and the Division of Parole and Probation, we request that the following be deleted from AB105:

--- Lines 9 & 10: *(a) He has no serious infraction of the terms and conditions of his parole or the laws of this state;*

The reason for this request is that this could be interpreted or applied without consistency throughout the Division of Parole and Probation. Additionally, if a parolee has an infraction serious enough to refer the case to the Parole Board, it is within the power of the Parole Board to take away credits when appropriate.

Thank you for your consideration on this matter.
