SUBJECT: Suggestion for Friendly Amendment to A.B. 191

1. After reviewing the provisions of the subject bill, I received the following two suggestions for friendly amendments and believe them to be worthwhile:

- a. Page 2, Line 19 - Insert "toxin, toxic chemical" after the word "specimen," to read "..... specimen, toxin, toxic chemical, record, data, result of any test or proprietary ....."
- b. Page 2, Line 39 - Insert "agricultural" after the word "medical," to read "..... facility in which medical, agricultural, scientific or industrial ....."

2. Thank you for introducing A.B. 191. I'm looking forward to testifying in favor of its passage and assisting you in any way necessary to accomplish that goal.
