AB460 Amendment Proposal

We recommend the following:

- Section 4, retain
- Section 5, remove
- Section 6, retain
- Section 7, retain
- Section 8, retain
- Section 9, retain

With respect to omitting section 5, we believe that there is an enormous amount of difficulty and danger in its implementation. Many of our stores simply do not have the staff or the proper training in apprehending offenders of any crime. We have concern that one of our employees could be injured if a youth had a desire to get away no matter what. Therefore, we propose to remove section 5 and keep the remaining bill intact.
