Subject: AB 237

Greetings,

Speaking on behalf of the Nevada Propane Dealers Association, I have reviewed the attached mock-up of AB 237. NPDA is in full support of AB 237 as it stands. I would like to thank you for your efforts regarding this important matter.

Please feel free to contact me with any questions or comments. Your work as an Assemblyman is appreciated.

Respectfully,

Blair V. Poulsen
NPDA, President

Jason,

Our technical folks have looked at the emission standards proposed in you amendment, as has John Sagebiel at DRI. Everyone feels that these are reasonable so you now have our unqualified support for your bill. Thanks again for working with us on this; it's been a very positive collaboration. Please call or contact me if there is anything further on this or any other issue with which we may assist you.
