Amendments to AB447
Proposed by the Nevada Division of Environmental Protection
March 31, 2003

Note: deletions are lined out and bracketed and additions are in bold

Sec. 3. subsections 3 (d), (e), 4 and 5, amend as follows:

~~(d) The benefits of the proposed regional disposal site to the public. [~~including, without limitation, the need for the regional disposal site to provide disposal capacity; and~~~~

~~(e) The estimated contribution of the proposed regional disposal site to achieving the state goal of recycling 25 percent of its solid waste pursuant to NRS 444A.020.]~~

4. The solid waste management authority shall not issue a certificate of designation for a proposed regional disposal site unless it determines that the proposed regional disposal site will provide ~~environmental~~ benefits to the State and that any risks posed by the proposed regional disposal site can be adequately mitigated.

5. As used in this section, "regional disposal site" means a disposal site that receives solid waste from outside of the county in which it is located **and receives on average 1,000 or more tons of solid waste per day.**

Sec. 8. subsection 4, amend as follows:

4. The Division of Environmental Protection of the Department shall impose an administrative penalty of \$~~[100]~~ **500** upon a person who collects recyclable materials from businesses or other persons failing to submit a report pursuant to this section.

Sec. 12. amend subsection 1(a) and 2 (a) as follows:

1. A county or health distinct that adopts a program pursuant to NRS 444A.040 shall:
(a) ~~{On or before July 1 of each year, submit a report to the Department of the number of tons of material disposed of in the area covered by the program.}~~ **Appoint a person to serve as a recycling coordinator within the jurisdiction of the county or health district, for programs in counties with populations greater than 100,000. The recycling coordinator shall promote and provide information to support local programs for waste reduction and recycling at commercial and residential premises.**

...

2. The governing body of a municipality that adopts a program pursuant to NRS 444A.040 shall:

(a) **In counties with populations greater than 100,000, [A] adopt such ordinances as are necessary for the enforcement of the program[.], including, without limitation...**
