Presented by Martha Barnes, Administrator, Central Services and Records Division of the Department of Motor Vehicles.

Amendment to AB115 to add language to Section 1. Subsection 2

The department will determine whether the license plate can be manufactured for other types of vehicles following approval of the final design. If special dies are needed to produce the plate for other vehicles types, the cost of the die and modifications necessary for the issuance of a license plate pursuant to this section must be paid from private sources without any expense to the State of Nevada.
