Wayne:

Richard West asked me to forward the attached language to you, to replace the existing provisions of NRS 482.36366(2):

2. The director shall award the dealer its attorneys' fees and costs incurred, including all expert witness fees expended, in any proceeding or a protest where the manufacturer or distributor fails to establish there is good cause to terminate, refuse to continue, modify or replace a franchise, or to establish an additional dealership or relocate an existing dealership. For purposes of this provision, costs shall include those items identified in NRS 18.005, provided, however, awards for expert witness fees shall not be limited, but shall reflect that amount actually expended by the dealer.

Please call if you have any questions.

Very Truly Yours,

John K. Gallagher, Esq.
