Suggested Amendment to AB440

From the Nevada Network Against Domestic Violence

March 27, 2003

Two Amendments:

1. The class should be mandatory.

(This will ensure that classes are full and all eligibility workers and social workers receive training.)

2. The money should sunset if: The Division of Welfare's requested eligibility worker and social worker staff is not funded. The money would immediately revert to the general fund.

(If the staff isn't funded, there would not be enough staff to "cover" or provide service while others went to training. No training could occur. This is the situation currently.)
