# Child Care Improvement Grant (CCIG)

City of Las Vegas  
Neighborhood Services

Good Morning Mr. Chairman and members of the committee. I'm Lisa Morris with the Neighborhood Services Department. Since 1997 we have improved the quality of child care in Las Vegas. Due to the success of this program, the State of Nevada has replicated the program statewide. The program continues to improve and we work closely with the City of Las Vegas Child Care Licensing Division and the Clark County Health District to help child care providers maintain licensing requirements. This quick PowerPoint presentation will illustrate the difference \$5,000 can make.
