Rewrite of Assembly Bill 195 on Behalf of Assemblyman Collins

Sec. 1. The Director of the Department of Transportation, in consultation with the Department of Motor Vehicles, the Department of Public Safety, the Department of Taxation, the State Department of Agriculture, the State Department of Conservation and Natural Resources and any other state agency directed by the Governor to participate in this project, shall formulate a plan to jointly enforce the laws of this state and any related regulations within their respective jurisdictions, including, without limitation, the inspection of vehicles transporting hazardous materials, the enforcement of laws relating to the taxation of fuel used in motor carriers, the enforcement of vehicle registration laws, the enforcement of traffic safety laws, the performance of safety inspections on commercial vehicles, the enforcement of laws restricting the importing of diseased animals, noxious weeds and other illegal plants. The Governor may direct additional agencies of this state to participate in the planning in a manner that will benefit the State.

A written plan for joint-enforcement activities among the agencies shall be submitted to the Director of the Legislative Counsel Bureau no later than Sept. 1, 2005. The plan shall include a summary of the opportunities for joint enforcement, a priority list for joint-enforcement activities, and the results expected.

Sec. 2. The Department of Transportation may:

- (a) Enter into an interstate agreement for joint operation of ports of entry with the states hat border Nevada at the location of the ports of entry.
- (b) Accept gifts and grants from federal and other governmental sources for the construction and operation of ports of entry.
- (c) Continue its use of portable ports of entry as deemed appropriate by the Director of the Department.

Sec. 3. This act becomes effective on July 1, 2003.
