Re: SB 399

Jack --

As you know, our industry, like many others, is facing a significant economic struggle.

We oppose SB 399 because it attempts to cure consumer issues which have recently been addressed by the Federal Trade Commission (FTC) after a year of public hearings and debates. The revised FTC Rule became effective March 31, 2003. See Attachment A.

Please note that California has a bill which has been amended to be completely consistent with the FTC Rule. See Attachment C.

Please let us know if we can answer any questions.
