Scott,

**I would request the following amendment to the Commissioner's bill:
Pg 72, line 14 change "and" to "or"**

The Commissioner originally approved the language I am now requesting. I got confused when answering a question in the Assembly and assumed that "and" was the correct connector. My associate who practices in this area says that "or" is the appropriate connector as it gives discretion to the judge to consider alternatives for releasing the bond when the accused has been brought back before the court. It makes NRS178.512 parallel with NRS 178.509.

**Thanks,
Wadhams**
