AB 230 Proposed Amendment
Proposed by the Las Vegas Valley Water District
(4/30/03)

Amend Section 2, Subsection 3 by replacing:

~~[3. In a county whose population is 400,000 or more, each mobile home park constructed after October 1, 1995, must provide direct water service, as provided in paragraph (b) of subsection 2, that is connected to individual meters for each lot. The individual meters must be installed in compliance with any uniform design and construction standards adopted by the public utility or city, county or other governmental entity which provides water service in the county.]~~

with:

3. In a county whose population is 400,000 or more, each mobile home park constructed after October 1, 1995, *unless it is operated by a public housing authority, non-profit corporation or cooperative*, must provide direct water service, as provided in paragraph (b) of subsection 2, that is connected to individual meters for each lot. The individual meters must be installed in compliance with any uniform design and construction standards adopted by the public utility or city, county or other governmental entity which provides water service in the county. *Nothing in this section prohibits a mobile home park constructed on or before October 1, 1995 from expanding if the expansion can be accommodated under the capacity of the existing master meter.*
