March 6, 2003

Marcus Hodges

Reno, Nevada 89509

Dear Senator Raggio,

As a clarification, while speaking in front of the Senate Finance Committee on March 3, 2003, I was acting as a private citizen, not as a representative of the Nevada Attorney General's Office. I spoke in support of SB 45, the proposed legislative change to allow Police/Fire Retirement for any Peace Office as defined under NRS 289. I respectfully request for this letter to be added to the official record so as not to cause any confusion with my testimony.

Sincerely,

Marcus Hodges
