Dear Senator Raggio,

As the session winds down to its conclusion, I know you have many important tasks to complete. However, if there is any "mechanism" whereby The National Judicial College and the National Council of Juvenile and Family Court Judges funding could be restored upon revenue being available, it would be very welcome. Both NCJFCJ Executive Director David Mitchell and I would appreciate any advice you can give us on current or future appropriations.

Once the session is over we would like to meet with you to discuss how future funding requests for both institutions could be kept in front of the legislature.

Very truly yours,

William F. Dressel
President, NJC
