PROPOSED AMENDMENTS TO SB 156

1. Section (III) is hereby revised as follows:

- “Is a comprehensive clinical and research hospital that provides services limited to diseases of the spine, the musculoskeletal system, the control and alleviation of pain and rehabilitative services performed by specialists in neurosurgery and assisted by other physicians and surgeons. Further, this hospital will not offer any intensive care services.”

2. Section (II) is hereby revised as follows:

- “The Number of beds is reduced from 50 to 15”
- “The Spine and Pain hospital shall provide, without charge, in each fiscal year, care for indigent inpatients in an amount which represents 0.6 percent (.006) of its net revenue for the hospital’s preceding fiscal year”
- “The hospital shall further provide uncompensated care equivalent to the average bad debt percent of other general acute care hospitals that reside in the Las Vegas market.”
