BDR 760

Preserving Freedom & Nevada's Sovereignty With CCW Reciprocity

Provisions of BDR

1. Protecting the sovereignty of Nevada Law by utilizing the standards set forth in NRS 202.3657 as the standard for Concealed Carry Weapon permits.
2. Directing the Attorney General to enter into reciprocity agreements with other states that meet the requirements contained in NRS 202.3657.
3. Defining reciprocity as the acceptance of Nevada CCW permits (without any additional application) in other states, and Nevada accepting CCW permits from the states (without further application) that, at a minimum, conform to NRS 202.3657
4. Reducing Law Enforcement resources required to process non-resident law abiding Concealed Carry Weapon permit holders, thus resulting in more resources available to protect citizens from those that carry concealed weapons without a permit
