RE: Nevada Tort Reform
Medical Malpractice

Dear Ms. Earley

You have contacted me as the Division Executive responsible for AIG's medical malpractice insurance business to probe my view on medical malpractice tort reform in Nevada. More specifically, my view on SB 97.

California's MICRA law has withstood the test of time, and has been viewed in a highly favorable way by medical malpractice underwriters for many years. As SB 97 mirrors MICRA, it would have my full support.

Cordially,

Richard H. Bucilla
Division Executive
