7 **Sec. 2.** NRS 104.9406 is hereby amended to read as follows:

8 104.9406 1. Subject to subsections 2 to 8, inclusive, an
9 account debtor on an account, chattel paper or a payment intangible
10 may discharge its obligation by paying the assignor until, but not
11 after, the account debtor receives a notification, authenticated by the
12 assignor or the assignee, that the amount due or to become due has
13 been assigned and that payment is to be made to the assignee. After
14 receipt of the notification, the account debtor may discharge its
15 obligation by paying the assignee and may not discharge the
16 obligation by paying the assignor.

17 2. Subject to subsection 8, notification is ineffective under
18 subsection 1:

19 (a) If it does not reasonably identify the rights assigned;

20 (b) To the extent that an agreement between an account debtor
21 and a seller of a payment intangible limits the account debtor's duty
22 to pay a person other than the seller and the limitation is effective
23 under law other than this article; or

24 (c) At the option of an account debtor, if the notification notifies
25 the account debtor to make less than the full amount of any
26 installment or other periodic payment to the assignee, even if:

27 (1) Only a portion of the account, chattel paper or payment
28 intangible has been assigned to that assignee;

29 (2) A portion has been assigned to another assignee; or

30 (3) The account debtor knows that the assignment to that
31 assignee is limited.

32 3. Subject to subsection 8, if requested by the account debtor,
33 an assignee shall seasonably furnish reasonable proof that the
34 assignment has been made. Unless the assignee complies, the
35 account debtor may discharge its obligation by paying the assignor,
36 even if the account debtor has received a notification under
37 subsection 1.

38 4. Except as otherwise provided in subsection 5 and NRS
39 104.9407 and 104A.2303, and subject to subsection 8, a term in an
40 agreement between an account debtor and an assignor or in a
41 promissory note is ineffective to the extent that it:

42 (a) Prohibits, restricts or requires the consent of the account
43 debtor or person obligated on the promissory note to the assignment
44 or transfer of, or the creation, attachment, perfection or enforcement

1 of a security interest in, the account, chattel paper, payment
2 intangible or promissory note; or

3 (b) Provides that the assignment or transfer, or the creation,
4 attachment, perfection or enforcement of the security interest may
5 give rise to a default, breach, right of recoupment, claim, defense,
6 termination, right of termination, or remedy under the account,
7 chattel paper, payment intangible or promissory note.

8 5. Subsection 4 does not apply to the sale of a payment
9 intangible or promissory note.

10 6. Subject to subsections 7 and 8, a rule of law, statute, or
11 regulation, that prohibits, restricts, or requires the consent of a
12 government, governmental body or official, or account debtor to the
13 assignment or transfer of, or creation of a security interest in, an
14 account or chattel paper is ineffective to the extent that the rule of
15 law, statute or regulation:

16 (a) Prohibits, restricts, or requires the consent of the
17 government, governmental body or official, or account debtor to the
18 assignment or transfer of, or the creation, attachment, perfection, or
19 enforcement of a security interest in, the account or chattel paper; or

20 (b) Provides that the assignment or transfer, or the creation,
21 attachment, perfection, or enforcement of the security interest may
22 give rise to a default, breach, right of recoupment, claim, defense,
23 termination, right of termination, or remedy under the account or
24 chattel paper.

25 7. Subject to subsection 8, an account debtor may not waive or
26 vary its option under paragraph (c) of subsection 2.

27 8. This section is subject to law other than this article which
28 establishes a different rule for an account debtor who is an
29 individual and who incurred the obligation primarily for personal,
30 family or household purposes.

31 9. This section does not apply to an assignment of a health-
32 care-insurance receivable  *or to a transfer of a right to receive*
33 *payments pursuant to section 1 of this act.*
