THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN
SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

- 1 **Section 1.** The Legislature hereby finds and declares that:
2 1. The events of September 11, 2001, have focused the
3 attention of our nation on the importance of preparedness in
4 preventing, investigating and prosecuting acts of terrorism.
5 2. To be effective, such preparedness requires a partnership
6 among federal, state and local governments.
7 3. While local law enforcement efforts and response plans to
8 terrorism are comprehensive, additional statewide provisions are
9 necessary to respond adequately to acts of terrorism and to punish
10 perpetrators of terrorist acts to the fullest extent possible.
11 4. The use of weapons of mass destruction, biological and
12 chemical agents, toxins, radioactive materials and sophisticated
13 delivery systems for carrying out acts of terrorism emphasizes the
14 need to ensure that we have criminal laws that clearly provide
15 punishments and deterrents designed to counteract these despicable
16 and inhumane activities.
17 5. It is therefore within the public interest that the Legislature
18 require emergency response plans for our resort hotels, reinforce
19 and enhance penalties for acts of terrorism, define key terms relating
20 to terrorist activity, criminalize the act of making terrorist threats,
21 prohibit the conveyance of false information, enhance the penalty
22 for obstruction of justice relating to terrorism, and elevate, to the
23 greatest extent possible, criminal punishments relating to all terrorist
24 activity.
25 6. It is the intent of the Legislature:
26 (a) To strengthen the laws of the State of Nevada to better
27 protect the health and safety of this state and its residents by
28 providing the greatest measure of protection from acts of terrorism;
29 and
30 (b) That this act be interpreted to provide the greatest measure of
31 protection for the constitutional rights of the residents of this state,
32 including the right to petition federal, state and local governments
33 and to exercise rights under the First Amendment to the Constitution
34 of the United States and Section 9 of Article 1 of the Nevada
35 Constitution.
