AN ACT relating to water; increasing the limit on the assessment  
for water distribution expenses incurred by the State  
Engineer; and providing other matters properly relating  
thereto.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN  
SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

- 1     **Section 1.** NRS 533.280 is hereby amended to read as follows:  
2     533.280 1. The State Engineer shall, between the first  
3 Monday of October and the first Monday of December of each year,  
4 prepare a budget of the amount of money estimated to be necessary  
5 to pay the expenses of the stream system or each water district for  
6 the then current year.  
7     2. The budget must show the following detail:  
8     (a) The aggregate amount estimated to be necessary to pay the  
9 expenses of the stream system or water district.  
10    (b) The aggregate water rights in the stream system or water  
11 district as determined by the State Engineer or the court.  
12    (c) The unit charge necessary to provide the money required.

- 1 (d) The charge against each water user, which must be based  
2 upon the proportion which his water right bears to the aggregate  
3 water rights in the stream system, but the minimum charge is \$1.  
4 3. When the stream system lies in more than one county, a  
5 separate budget must be prepared for each county showing only the  
6 claimants and charges assessable within the county.  
7 4. When the stream system irrigates more than 200,000 acres  
8 of land, the assessment for water distribution expenses must not  
9 exceed ~~25~~ 30 cents per acre-foot of water decreed.  
10 **Sec. 2.** This act becomes effective on July 1, 2003.
