-3. The State Quarantine Officer shall adopt such regulations as 34 35 are necessary to provide for adequate notice and conduct of a

hearing required by this section.] 36

Sec. 1.5. Chapter 555 of NRS is hereby amended by adding 37 thereto the provisions set forth as sections 2 to 18, inclusive, of this 38 39 act.

40 Sec. 2. 1. A person licensed to engage in pest control shall 41 ensure that each of his business locations in this state has a

1 primary principal who is licensed in the appropriate category or 2 categories of pest control.

2. If a licensee ceases to have a primary principal at each of his business locations in this state for 30 consecutive calendar days, his license for pest control is automatically suspended, without action of the Director, and remains suspended until such time as the licensee obtains a primary principal for each business location.

9 3. As used in this section, "primary principal" means an 10 owner, officer, partner, member or technician of a pest control business who has qualified by examination in one or more of the 11 categories of pest control and who has been designated by the pest 12 control business as the person responsible for the daily 13 14 supervision of the category or categories of pest control performed 15 by a business location of the pest control business within this state. Sec. 3. "Broker" means any person who acts as an agent for 16

another person in negotiating the purchase or sale of nursery stock but who does not handle either the nursery stock which is involved in the purchase or sale, or the proceeds of the sale, if applicable.

21 Sec. 4. "Dangerously injurious plant pest" means a plant 22 pest that constitutes a significant threat to the public or to the 23 agricultural, forestry or horticultural industry of this state.

24 Sec. 5. "Dealer of nursery stock" means a person who 25 produces, holds, distributes, collects or sells nursery stock, 26 including, without limitation, a retail business, wholesale grower, 27 landscape contractor, landscape maintenance business, broker 28 and peddler.

29 Sec. 6. "Hold" means to have and maintain possession of 30 nursery stock at a temporary or permanent location.

31 Sec. 7. "Infested" means contaminated with a pest or so 32 exposed to a pest that contamination can reasonably be expected 33 to exist.

34 Sec. 8. "Inspecting officer" means a person authorized by 35 the Department to inspect nursery stock.

36 Sec. 9. "Inspection certificate" means a document which is 37 issued by an inspecting officer or an appropriate state officer who 38 is authorized to inspect nursery stock and which affirms, declares 39 or verifies that the nursery stock, or the nursery or premises from 40 which the nursery stock originated, has been inspected and found 41 to be free from plant pests and symptoms of diseases.

42 Sec. 10. "License" means a license issued pursuant to NRS 43 555.235 to 555.249, inclusive, and sections 3 to 18, inclusive, of 44 this act, to a licensee to conduct business as a dealer of nursery 45 stock.

1 Sec. 11. "Licensee" means a person licensed under the 2 provisions of NRS 555.235 to 555.249, inclusive, and sections 3 to 3 18, inclusive, of this act.

Sec. 12. "Nursery" means any location:

4

5 1. Where nursery stock is grown, propagated, held, stored or 6 sold; or

7 2. From which nursery stock is distributed directly to a 8 customer.

9 Sec. 13. "Nursery stock" means a plant for planting, 10 propagation or ornamentation, and includes, without limitation, 11 parts of plants, trees, shrubs, vines, vegetables, bulbs, stolons, 12 tubers, corms, pips, rhizomes, scions, buds and grafts.

13 Sec. 14. "Peddler" means any person who sells, solicits or 14 offers for sale nursery stock to a customer but who does not have a 15 nursery located in this state. The term does not include 16 nurserymen licensed by another state who wholesale nursery stock 17 to retail nurserymen located in this state or nurserymen who sell 18 nursery stock directly to the public by catalog.

Sec. 15. "Pest" means any form of animal or vegetable life 19 detrimental to the crops, horticulture, livestock, public health, 20 21 wildlife, quality of water and beneficial uses of land in this state, including, without limitation, any insect, snail, nematode, fungus, 22 23 virus, bacterium, microorganism, mycoplasmal organism, weed, 24 parasitic plant or any other plant that is normally considered to be a pest of cultivated plants, uncultivated plants, agricultural 25 commodities, horticultural products or nursery stock, or that the 26 27 Director declares to be a pest.

28 Sec. 16. "Phytosanitary certificate" means a certificate from 29 an authorized state plant regulatory officer that certifies, affirms, 30 declares or verifies that an article, nursery stock, plant product, 31 shipment or other officially regulated item meets federal or state quarantine requirements, as appropriate, including, without 32 33 limitation, that the item is free of dangerously injurious pests or quarantine pests, or that the item has been treated in the manner 34 set forth in the rules and regulations prescribed by the applicable 35 quarantine. The term includes a federal phytosanitary certificate, 36 37 a state phytosanitary certificate and a certificate of quarantine 38 compliance.

39 Sec. 17. "Quarantine pest" means a pest listed by the State 40 Quarantine Officer in a quarantine issued pursuant to chapter 41 554 of NRS.

42 Sec. 18. "Sell" means exchange, offer for sale, expose for 43 sale, have in possession for sale, arrange the sale of, solicit for 44 sale, display or advertise for sale, consign, accept on consignment,

45 or broker the purchase or sale.

Sec. 19. NRS 555.100 is hereby amended to read as follows:

2 555.100 1. The Department shall, if necessary or if a complaint is made to the Department, cause an inspection to be 3 conducted of any premises, land, means of conveyance or article of 4 5 any person in this state, and if found infested with [an infectious disease, insect, plant, weed or other pest] any pest or plant disease 6 7 that is injurious to:

(a) The public health or quality of any water in this state; or

9 (b) Any wildlife, beneficial use of land or agriculture in this 10 state.

the Department may provide a written notice of its findings to the 11 owner or occupant of the premises, land, means of conveyance or 12 13 article and require him to control, treat or eradicate the disease, 14 insect, weed or other] pest or plant disease in the manner and within 15 the period specified in the notice.

2. A notice issued pursuant to the provisions of subsection 1:

(a) May be served upon the owner or occupant by an officer or 17 employee of the Department; and 18

(b) Must be served in writing, by certified mail or personally, 19 20 with receipt given therefor.

Sec. 20. NRS 555.110 is hereby amended to read as follows:

22 555.110 1. [All such premises so infected or infested are] Any premises found to be infested with any pest or plant disease is 23 24 hereby adjudged and declared to be a public nuisance. [, and if any] 25 If such a nuisance exists at any place within the jurisdiction of the 26 Department and the owner or occupant [thereof,] of the premises, 27 after notification, refuses or neglects to abate the nuisance within the 28 period specified, the Department shall cause the nuisance to be 29 abated at once by eradicating or controlling [those diseases, insects, 30 weeds or other pests or plant diseases in a manner to be determined 31 by the Department. The expense thereof must be paid from any money made 32 2. 33 available to the Department by direct legislative appropriation or 34 otherwise.

35 **Sec. 21.** NRS 555.235 is hereby amended to read as follows:

To obtain a waiver pursuant to this subsection, the 15 person must:

(a) Submit to the Department a completed application for a
license to engage in the business of a dealer of nursery stock that
includes sufficient information to demonstrate that the person
qualifies for a waiver pursuant to this subsection; and

20 (b) Submit to the Director a notarized affidavit on a form 21 provided by the Department attesting that all information 22 furnished in the completed application is true.

A completed application submitted to the Department pursuant to
this section need not be accompanied by the fee required by NRS
555.238. A waiver issued pursuant to this subsection may be
revoked at any time and must be renewed annually.

27 3. Persons, state agencies or political subdivisions exempt from
28 the licensing requirements:

(a) Shall conduct their businesses in accordance with pest
 regulations and grades and standards for nursery stock as established
 by the Director.

(b) Shall register annually, on or before July 1, with the
 Department, the location, size and type of nursery stock being *sold or* produced.

4. As used in this section, "occasional sales" means sales of nursery stock in a gross annual amount that is less than \$1,000.
