AN ACT relating to trusts; adapting the Uniform Prudent Investor Act and the Uniform Principal and Income Act (1997) to each other and the structure of Nevada Revised Statutes; and providing other matters properly relating thereto.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

1 **Section 1.** Chapter 164 of NRS is hereby amended by adding
2 thereto the provisions set forth as sections 2 to 44, inclusive, of this
3 act.

4 **Sec. 2.** *As used in sections 2 to 44, inclusive, of this act:*

5 1. *“Fiduciary” means a trustee or, to the extent that sections*
6 *15 to 44, inclusive, of this act apply to an estate, a personal*
7 *representative.*

8 2. *“Terms of a trust” means the manifestation of the intent of*
9 *a settlor or decedent with respect to the trust, expressed in a*
10 *manner that admits of its proof in a judicial proceeding, whether*
11 *by written or spoken words or by conduct.*

12 **Sec. 3.** *In performing his duties under sections 2 to 44,*
13 *inclusive, of this act, a fiduciary:*

14 1. *Shall administer a trust or estate in accordance with the*
15 *terms of the trust or the will, even if there is a different provision*
16 *in sections 2 to 44, inclusive, of this act;*

17 2. *May administer a trust or estate by the exercise of a*
18 *discretionary power of administration given to the fiduciary by the*

1 *terms of the trust or the will, even if the exercise of the power*
2 *produces a result different from a result required or permitted by*
3 *sections 2 to 44, inclusive, of this act; and*

4 *3. Shall administer a trust or estate in accordance with*
5 *sections 2 to 44, inclusive, of this act if the terms of the trust or the*
6 *will do not contain a different provision or do not give the*
7 *fiduciary a discretionary power of administration.*

8 **Sec. 4.** *A trustee shall invest and manage the trust property*
9 *solely in the interest of the beneficiaries.*

10 **Sec. 5. 1.** *If a trust has two or more beneficiaries, the*
11 *trustee shall act impartially in investing and managing the trust*
12 *property, taking into account any differing interests of the*
13 *beneficiaries.*

14 *2. In exercising the power to adjust under section 18 of this*
15 *act or a discretionary power of administration regarding a matter*
16 *within the scope of sections 15 to 44, inclusive, of this act, whether*
17 *granted by the terms of a trust, a will or sections 15 to 44,*
18 *inclusive, of this act, a fiduciary shall administer a trust or estate*
19 *impartially, based on what is fair and reasonable to all the*
20 *beneficiaries, except to the extent that the terms of the trust or the*
21 *will clearly manifest an intention that the fiduciary shall or may*
22 *favor one or more of the beneficiaries. A determination in*
23 *accordance with sections 15 to 44, inclusive, of this act is*
24 *presumed to be fair and reasonable to all the beneficiaries.*

25 **Sec. 6.** *Sections 2 to 14, inclusive, of this act may be cited as*
26 *the Uniform Prudent Investor Act.*

27 **Sec. 7.** *A trustee who invests and manages trust property*
28 *owes a duty to the beneficiaries of the trust to comply with the*
29 *prudent investor rule as set forth in sections 2 to 14, inclusive, of*
30 *this act but a trustee is not liable to a beneficiary to the extent that*
31 *the trustee acted in reasonable reliance on the terms of the trust.*

32 **Sec. 8. 1.** *A trustee shall invest and manage trust property*
33 *as a prudent investor would, considering the terms, purposes,*
34 *requirements for distribution, and other circumstances of the*
35 *trust. In satisfying this standard, the trustee shall exercise*
36 *reasonable care, skill and caution.*

37 *2. A trustee's decisions concerning investment and*
38 *management as applied to individual assets must be evaluated not*
39 *in isolation but in the context of the trust portfolio as a whole and*
40 *as part of an overall strategy of investment having objectives for*
41 *risk and return reasonably suited to the trust.*

42 *3. Among circumstances that a trustee shall consider in*
43 *investing and managing trust property are such of the following as*
44 *are relevant to the trust or its beneficiaries:*

45 *(a) General economic conditions;*

- 1 **(b) The possible effect of inflation or deflation;**
2 **(c) The expected tax consequences of decisions or strategies;**
3 **(d) The role that each investment or course of action plays**
4 **within the overall trust portfolio;**
5 **(e) The expected total return from income and the**
6 **appreciation of capital;**
7 **(f) Other resources of the beneficiaries;**
8 **(g) Needs for liquidity, regularity of income, and preservation**
9 **or appreciation of capital; and**
10 **(h) An asset's special relationship or special value, if any, to**
11 **the purposes of the trust or to one or more of the beneficiaries.**
12 **4. A trustee shall make a reasonable effort to verify facts**
13 **relevant to the investment and management of trust property.**
14 **5. A trustee may invest in any kind of property or type of**
15 **investment consistent with the standards of sections 2 to 14,**
16 **inclusive, of this act, which may include financial assets, interests**
17 **in closely held enterprises, tangible and intangible personal**
18 **property, and real property.**
19 **6. A trustee who has special skills or expertise, or is named**
20 **trustee in reliance upon his representation that he has special**
21 **skills or expertise, has a duty to use those special skills or**
22 **expertise.**
23 **Sec. 9. A trustee shall diversify the investments of the trust**
24 **unless he reasonably determines that, because of special**
25 **circumstances, the purposes of the trust are better served without**
26 **diversifying.**
27 **Sec. 10. Within a reasonable time after accepting a**
28 **trusteeship or receiving trust property, a trustee shall review the**
29 **trust property and make and carry out decisions concerning the**
30 **retention and disposition of assets, in order to bring the trust**
31 **portfolio into compliance with the purposes, terms, requirements**
32 **for distribution and other circumstances of the trust, and with the**
33 **requirements of sections 2 to 14, inclusive, of this act.**
34 **Sec. 11. In investing and managing trust property, a trustee**
35 **may only incur costs that are appropriate and reasonable in**
36 **relation to the property, the purposes of the trust and the skills of**
37 **the trustee.**
38 **Sec. 12. Compliance with the prudent investor rule is**
39 **determined in light of the facts and circumstances existing at the**
40 **time of a trustee's decision or action and not by hindsight.**
41 **Sec. 13. 1. A trustee may delegate functions of investment**
42 **and management that a prudent trustee of comparable skills could**
43 **properly delegate under the circumstances. He shall exercise**
44 **reasonable care, skill and caution in:**
45 **(a) Selecting an agent;**

1 **(b) Establishing the scope and terms of the delegation,**
2 **consistent with the purposes and terms of the trust; and**

3 **(c) Periodically reviewing the agent's actions in order to verify**
4 **the agent's performance and compliance with the terms of the**
5 **delegation.**

6 **2. In performing a delegated function, an agent owes a duty**
7 **to the trust to exercise reasonable care to comply with the terms of**
8 **the delegation.**

9 **3. A trustee who complies with the requirements of subsection**
10 **I is not liable to the beneficiaries or to the trust for the decisions**
11 **or actions of the agent to whom the function was delegated.**

12 **4. By accepting the delegation of a function from the trustee**
13 **of a trust that is subject to the law of this state, an agent submits to**
14 **the jurisdiction of the courts of this state.**

15 **Sec. 14. The following terms or comparable language in the**
16 **terms of a trust, unless otherwise limited or modified, authorizes**
17 **any investment or strategy permitted under sections 2 to 14,**
18 **inclusive, of this act: "investments permissible by law for**
19 **investment of trust funds," "legal investments," "authorized**
20 **investments," "using the judgment and care under the**
21 **circumstances then prevailing that persons of prudence, discretion**
22 **and intelligence exercise in the management of their own affairs,**
23 **not in regard to speculation but in regard to the permanent**
24 **disposition of their funds, considering the probable income as well**
25 **as the probable safety of their capital," "prudent man rule,"**
26 **"prudent trustee rule," "prudent person rule" and "prudent**
27 **investor rule."**

28 **Sec. 15. Section 2, subsection 2 of section 5 and sections 15**
29 **to 44, inclusive, of this act may be cited as the Uniform Principal**
30 **and Income Act (1997).**

31 **Sec. 16. As used in sections 15 to 44, inclusive, of this act:**

32 **1. "Accounting period" means a calendar year unless**
33 **another 12-month period is selected by a fiduciary. The term**
34 **includes a portion of a calendar year or other 12-month period**
35 **that begins when an income interest begins or ends when an**
36 **income interest ends.**

37 **2. "Beneficiary" includes, in the case of a decedent's estate,**
38 **an heir, legatee and devisee and, in the case of a trust, an income**
39 **beneficiary and a remainder beneficiary.**

40 **3. "Fiduciary" includes an executor, administrator, successor**
41 **personal representative, special administrator and a person**
42 **performing substantially the same function.**

43 **4. "Income" means money or property that a fiduciary**
44 **receives as current return from a principal asset. The term**
45 **includes a portion of receipts from a sale, exchange or liquidation**

1 of a principal asset, to the extent provided in sections 24 to 38,
2 inclusive, of this act.

3 5. "Income beneficiary" means a person to whom net income
4 of a trust is or may be payable.

5 6. "Income interest" means the right of an income
6 beneficiary to receive all or part of net income, whether the terms
7 of the trust require it to be distributed or authorize it to be
8 distributed in the trustee's discretion.

9 7. "Mandatory income interest" means the right of an income
10 beneficiary to receive net income that the terms of the trust require
11 the fiduciary to distribute.

12 8. "Net income" means the total receipts allocated to income
13 during an accounting period minus the disbursements made from
14 income during the period, plus or minus transfers under sections
15 15 to 44, inclusive, of this act to or from income during the period.

16 9. "Principal" means property held in trust for distribution to
17 a remainder beneficiary when the trust terminates.

18 10. "Remainder beneficiary" means a person entitled to
19 receive principal when an income interest ends.

20 **Sec. 17.** In allocating receipts and disbursements to or
21 between principal and income, and with respect to any matter
22 within the scope of sections 19 to 23, inclusive, of this act, a
23 fiduciary shall add a receipt or charge a disbursement to principal
24 to the extent that the terms of the trust and sections 15 to 44,
25 inclusive, of this act do not provide a rule for allocating the receipt
26 or disbursement to or between principal and income.

27 **Sec. 18.** 1. A trustee may adjust between principal and
28 income to the extent he considers necessary if he invests and
29 manages trust assets as a prudent investor, the terms of the trust
30 describe the amount that may or must be distributed to a
31 beneficiary by referring to the trust's income, and he determines,
32 after applying the rules in sections 3 and 17 of this act, that he is
33 unable to comply with subsection 2 of section 5 of this act.

34 2. In deciding whether and to what extent to exercise the
35 power conferred by subsection 1, a trustee shall consider all
36 factors relevant to the trust and its beneficiaries, including the
37 following factors to the extent they are relevant:

- 38 (a) The nature, purpose and expected duration of the trust;
- 39 (b) The intent of the settlor;
- 40 (c) The identity and circumstances of the beneficiaries;
- 41 (d) The needs for liquidity, regularity of income, and
42 preservation and appreciation of capital;
- 43 (e) The assets held in the trust, the extent to which the assets
44 consist of financial assets, interests in closely held enterprises,
45 tangible and intangible personal property, or real property, the

- 1 *extent to which an asset is used by a beneficiary, and whether an*
2 *asset was purchased by the trustee or received from the settlor;*
3 *(f) The net amount allocated to income under the other*
4 *provisions of sections 15 to 44, inclusive, of this act and the*
5 *increase or decrease in the value of the principal assets, which the*
6 *trustee may estimate as to assets for which market values are not*
7 *readily available;*
8 *(g) Whether and to what extent the terms of the trust give the*
9 *trustee the power to invade principal or accumulate income or*
10 *prohibit him from invading principal or accumulating income,*
11 *and the extent to which he has exercised a power from time to time*
12 *to invade principal or accumulate income;*
13 *(h) The actual and anticipated effect of economic conditions*
14 *on principal and income and effects of inflation and deflation;*
15 *and*
16 *(i) The anticipated tax consequences of an adjustment.*
17 **3. A trustee may not make an adjustment:**
18 *(a) That diminishes the income interest in a trust that requires*
19 *all the income to be paid at least annually to a surviving spouse*
20 *and for which an estate tax or gift tax marital deduction would be*
21 *allowed, in whole or in part, if the trustee did not have the power*
22 *to make the adjustment;*
23 *(b) That reduces the actuarial value of the income interest in a*
24 *trust to which a person transfers property with the intent to qualify*
25 *for a gift tax exclusion;*
26 *(c) That changes the amount payable to a beneficiary as a*
27 *fixed annuity or a fixed fraction of the value of the trust assets;*
28 *(d) From any amount that is permanently set aside for*
29 *charitable purposes under a will or the terms of a trust unless both*
30 *income and principal are so set aside;*
31 *(e) If possessing or exercising the power to make an*
32 *adjustment causes a natural person to be treated as the owner of*
33 *all or part of the trust for income tax purposes, and the natural*
34 *person would not be treated as the owner if the trustee did not*
35 *possess the power to make an adjustment;*
36 *(f) If possessing or exercising the power to make an*
37 *adjustment causes all or part of the trust assets to be included for*
38 *estate tax purposes in the estate of a natural person who has the*
39 *power to remove a trustee or appoint a trustee, or both, and the*
40 *assets would not be included in the estate of the natural person if*
41 *the trustee did not possess the power to make an adjustment;*
42 *(g) If the trustee is a beneficiary of the trust; or*
43 *(h) If the trustee is not a beneficiary, but the adjustment would*
44 *benefit him directly or indirectly.*

1 4. *If paragraph (e), (f), (g) or (h) of subsection 3 applies to a*
2 *trustee and there is more than one trustee, a cotrustee to whom the*
3 *provision does not apply may make the adjustment unless the*
4 *exercise of the power by the remaining trustee or trustees is not*
5 *permitted by the terms of the trust.*

6 5. *A trustee may release the entire power conferred by*
7 *subsection 1 or may release only the power to adjust from income*
8 *to principal or the power to adjust from principal to income if he is*
9 *uncertain about whether possessing or exercising the power will*
10 *cause a result described in paragraphs (a) to (f), inclusive, or (h)*
11 *of subsection 3 or if he determines that possessing or exercising*
12 *the power will or may deprive the trust of a tax benefit or impose a*
13 *tax burden not described in subsection 3. The release may be*
14 *permanent or for a specified period, including a period measured*
15 *by the life of a natural person.*

16 6. *Terms of a trust that limit the power of a trustee to make*
17 *an adjustment between principal and income do not affect the*
18 *application of this section unless it is clear from the terms of the*
19 *trust that the terms are intended to deny the trustee the power of*
20 *adjustment conferred by subsection 1.*

21 7. *A trustee incurs no liability by choosing not to exercise the*
22 *discretionary power conferred by this section.*

23 **Sec. 19.** *After a decedent dies, in the case of an estate, or*
24 *after an income interest in a trust ends, the following rules apply:*

25 1. *A fiduciary of an estate or of a terminating income interest*
26 *shall determine the amount of net income and net principal*
27 *receipts received from property specifically given to a beneficiary*
28 *under the rules in sections 21 to 44, inclusive, of this act which*
29 *apply to trustees and the rules in subsection 5. He shall distribute*
30 *the net income and net principal receipts to the beneficiary who is*
31 *to receive the specific property.*

32 2. *A fiduciary shall determine the remaining net income of a*
33 *decedent's estate or a terminating income interest under the rules*
34 *in sections 21 to 44, inclusive, of this act which apply to trustees*
35 *and by:*

36 (a) *Including in net income all income from property used to*
37 *discharge liabilities;*

38 (b) *Paying from income or principal, in his discretion, fees of*
39 *attorneys, accountants and fiduciaries, court costs and other*
40 *expenses of administration, and interest on death taxes, but he*
41 *may pay those expenses from income of property passing to a trust*
42 *for which he claims an estate tax marital or charitable deduction*
43 *only to the extent that the payment of those expenses from income*
44 *will not cause the reduction or loss of the deduction; and*

1 (c) *Paying from principal all other disbursements made or*
2 *incurred in connection with the settlement of a decedent's estate*
3 *or the winding up of a terminating income interest, including*
4 *debts, funeral expenses, disposition of remains, family allowances,*
5 *and death taxes and related penalties that are apportioned to the*
6 *estate or terminating income interest by the will, the terms of the*
7 *trust, or applicable law.*

8 3. *A fiduciary shall distribute to a beneficiary who receives a*
9 *pecuniary amount outright the interest or any other amount*
10 *provided by the will, the terms of the trust, or applicable law from*
11 *net income determined under subsection 2 or from principal to the*
12 *extent that net income is insufficient. If a beneficiary is to receive*
13 *a pecuniary amount outright from a trust after an income interest*
14 *ends and no interest or other amount is provided for by the terms*
15 *of the trust or applicable law, the fiduciary shall distribute the*
16 *interest or other amount to which the beneficiary would be entitled*
17 *under applicable law if the pecuniary amount were required to be*
18 *paid under a will.*

19 4. *A fiduciary shall distribute the net income remaining after*
20 *distributions required by subsection 3 in the manner described in*
21 *section 20 of this act to all other beneficiaries, including a*
22 *beneficiary who receives a pecuniary amount in trust, even if he*
23 *holds an unqualified power to withdraw assets from the trust or*
24 *other presently exercisable general power of appointment over the*
25 *trust.*

26 5. *A fiduciary may not reduce principal or income receipts*
27 *from property described in subsection 1 because of a payment*
28 *described in section 39 or 40 of this act to the extent that the will,*
29 *the terms of the trust, or applicable law requires him to make the*
30 *payment from assets other than the property or to the extent he*
31 *recovers or expects to recover the payment from a third party. The*
32 *net income and principal receipts from the property are*
33 *determined by including all the amounts the fiduciary receives or*
34 *pays with respect to the property, whether those amounts accrued*
35 *or became due before, on, or after the date of a decedent's death*
36 *or an income interest's terminating event, and by making a*
37 *reasonable provision for amounts that he believes the estate or*
38 *terminating income interest may become obligated to pay after the*
39 *property is distributed.*

40 **Sec. 20. 1.** *Each beneficiary described in subsection 4 of*
41 *section 19 of this act is entitled to receive a portion of the net*
42 *income equal to his fractional interest in undistributed principal*
43 *assets, using values as of the date of distribution. If a fiduciary*
44 *makes more than one distribution of assets to beneficiaries to*
45 *whom this section applies, each beneficiary, including one who*

1 *does not receive part of the distribution, is entitled, as of each date*
2 *of distribution, to the net income the fiduciary has received after*
3 *the date of death or terminating event or earlier date of*
4 *distribution but has not distributed as of the current date of*
5 *distribution.*

6 *2. In determining a beneficiary's share of net income, the*
7 *following rules apply:*

8 *(a) He is entitled to receive a portion of the net income equal*
9 *to his fractional interest in the undistributed principal assets*
10 *immediately before the date of distribution, including assets that*
11 *later may be sold to meet principal obligations.*

12 *(b) His fractional interest in the undistributed principal assets*
13 *must be calculated without regard to property specifically given to*
14 *a beneficiary and property required to pay pecuniary amounts not*
15 *in trust.*

16 *(c) His fractional interest in the undistributed principal assets*
17 *must be calculated on the basis of the aggregate value of those*
18 *assets as of the date of distribution without reducing the value by*
19 *any unpaid principal obligation.*

20 *(d) The date of distribution for purposes of this section may be*
21 *the date as of which the fiduciary calculates the value of the assets*
22 *if that date is reasonably near the date on which assets are*
23 *actually distributed.*

24 *3. If a fiduciary does not distribute all the collected but*
25 *undistributed net income to each person as of a date of*
26 *distribution, he shall maintain appropriate records showing the*
27 *interest of each beneficiary in that net income.*

28 *4. A trustee may apply the rules in this section, to the extent*
29 *that he considers it appropriate, to net gain or loss realized after*
30 *the date of death or terminating event or earlier date of*
31 *distribution from the disposition of a principal asset if this section*
32 *applies to the income from the asset.*

33 **Sec. 21.** *1. An income beneficiary is entitled to net income*
34 *from the date on which the income interest begins. An income*
35 *interest begins on the date specified in the terms of the trust or, if*
36 *no date is specified, on the date an asset becomes subject to a trust*
37 *or successive income interest.*

38 *2. An asset becomes subject to a trust:*

39 *(a) On the date it is transferred to the trust in the case of an*
40 *asset that is transferred to a trust during the transferor's life;*

41 *(b) On the date of a testator's death in the case of an asset that*
42 *becomes subject to a trust by reason of a will, even if there is an*
43 *intervening period of administration of the testator's estate; or*

1 (c) *On the date of the death of a natural person in the case of*
2 *an asset that is transferred to a fiduciary by a third party because*
3 *of the death of the natural person.*

4 3. *An asset becomes subject to a successive income interest*
5 *on the day after the preceding income interest ends, as determined*
6 *under subsection 4, even if there is an intervening period of*
7 *administration to wind up the preceding income interest.*

8 4. *An income interest ends on the day before an income*
9 *beneficiary dies or another terminating event occurs, or on the last*
10 *day of a period during which there is no beneficiary to whom a*
11 *trustee may distribute income.*

12 **Sec. 22.** 1. *A trustee shall allocate an income receipt or*
13 *disbursement other than one to which subsection 1 of section 19 of*
14 *this act applies to principal if its due date occurs before a decedent*
15 *dies in the case of an estate or before an income interest begins in*
16 *the case of a trust or successive income interest.*

17 2. *A trustee shall allocate an income receipt or disbursement*
18 *to income if its due date occurs on or after the date on which a*
19 *decedent dies or an income interest begins and it is a periodic due*
20 *date. An income receipt or disbursement must be treated as*
21 *accruing from day to day if its due date is not periodic or it has no*
22 *due date. The portion of the receipt or disbursement accruing*
23 *before the date on which a decedent dies or an income interest*
24 *begins must be allocated to principal and the balance must be*
25 *allocated to income.*

26 3. *An item of income or an obligation is due on the date the*
27 *payor is required to make a payment. If a date for payment is not*
28 *stated, there is no due date for the purposes of sections 15 to 44,*
29 *inclusive, of this act. Distributions to shareholders or other owners*
30 *from an entity to which section 24 of this act applies are deemed to*
31 *be due on the date fixed by the entity for determining who is*
32 *entitled to receive the distribution or, if no date is fixed, on the*
33 *date of declaration of the distribution. A due date is periodic for*
34 *receipts or disbursements that must be paid at regular intervals*
35 *under a lease or an obligation to pay interest or if an entity*
36 *customarily makes distributions at regular intervals.*

37 **Sec. 23.** 1. *As used in this section, “undistributed income”*
38 *means net income received before the date on which an income*
39 *interest ends. The term does not include an item of income or*
40 *expense that is due or accrued or net income that has been added*
41 *or is required to be added to principal under the terms of the trust.*

42 2. *When a mandatory income interest ends, the trustee shall*
43 *pay to a mandatory income beneficiary who survives that date, or*
44 *the estate of a deceased mandatory income beneficiary whose*
45 *death causes the interest to end, his share of the undistributed*

1 *income that is not disposed of under the terms of the trust unless*
2 *he has an unqualified power to revoke more than 5 percent of the*
3 *trust immediately before the income interest ends. In the latter*
4 *case, the undistributed income from the portion of the trust that*
5 *may be revoked must be added to principal.*

6 3. *When a trustee's obligation to pay a fixed annuity or a*
7 *fixed fraction of the value of the trust's assets ends, he shall*
8 *prorate the final payment if and to the extent required by*
9 *applicable law to accomplish a purpose of the trust or its settlor*
10 *relating to income, gift, estate or other tax requirements.*

11 **Sec. 24.** 1. *As used in this section, "entity" means a*
12 *corporation, partnership, limited-liability company, regulated*
13 *investment company, real estate investment trust, common trust*
14 *fund or any other organization in which a trustee has an interest*
15 *other than a trust or estate to which section 25 of this act applies,*
16 *a business or activity to which section 26 of this act applies or an*
17 *asset-backed security to which section 38 of this act applies.*

18 2. *Except as otherwise provided in this section, a trustee shall*
19 *allocate to income money received from an entity.*

20 3. *A trustee shall allocate the following receipts from an*
21 *entity to principal:*

22 (a) *Property other than money;*

23 (b) *Money received in one distribution or a series of related*
24 *distributions in exchange for part or all of a trust's interest in the*
25 *entity;*

26 (c) *Money received in total or partial liquidation of the entity;*
27 *and*

28 (d) *Money received from an entity that is a regulated*
29 *investment company or a real estate investment trust if the money*
30 *distributed is a capital gain dividend for federal income tax*
31 *purposes.*

32 4. *Money is received in partial liquidation:*

33 (a) *To the extent that the entity, at or near the time of a*
34 *distribution, indicates that it is a distribution in partial liquidation;*
35 *or*

36 (b) *If the total amount of money and property received in a*
37 *distribution or series of related distributions is greater than 20*
38 *percent of the entity's gross assets, as shown by the entity's year-*
39 *end financial statements immediately preceding the initial receipt.*

40 5. *Money is not received in partial liquidation, nor may it be*
41 *taken into account under paragraph (b) of subsection 4, to the*
42 *extent that it does not exceed the amount of income tax that a*
43 *trustee or beneficiary must pay on taxable income of the entity*
44 *that distributes the money.*

1 6. *A trustee may rely upon a statement made by an entity*
2 *about the source of character of a distribution if the statement is*
3 *made at or near the time of distribution by the entity's board of*
4 *directors or other person or group of persons authorized to*
5 *exercise powers to pay money or transfer property comparable to*
6 *those of a corporation's board of directors.*

7 **Sec. 25.** *A trustee shall allocate to income an amount*
8 *received as a distribution of income from a trust or an estate in*
9 *which the trust has an interest other than a purchased interest,*
10 *and a trustee shall allocate to principal an amount received as a*
11 *distribution of principal from such a trust or estate. If a trustee*
12 *purchases an interest in a trust that is an investment entity, or a*
13 *decedent or donor transfers an interest in such a trust to a trustee,*
14 *section 24 or 38 of this act applies to a receipt from the trust.*

15 **Sec. 26.** 1. *If a trustee who conducts a business or other*
16 *activity determines that it is in the best interest of all the*
17 *beneficiaries to account separately for the business or activity*
18 *instead of accounting for it as part of the trust's general*
19 *accounting records, he may maintain separate accounting records*
20 *for its transactions, whether or not its assets are segregated from*
21 *other trust assets.*

22 2. *A trustee who accounts separately for a business or other*
23 *activity may determine the extent to which its net cash receipts*
24 *must be retained for working capital, the acquisition or*
25 *replacement of fixed assets, and other reasonably foreseeable*
26 *needs of the business or activity, and the extent to which the*
27 *remaining net cash receipts are accounted for as principal or*
28 *income in the trust's general accounting records. If a trustee sells*
29 *assets of the business or other activity, other than in the ordinary*
30 *course of the business or activity, he shall account for the net*
31 *amount received as principal in the trust's general accounting*
32 *records to the extent he determines that the amount received is no*
33 *longer required in the conduct of the business.*

34 3. *Activities for which a trustee may maintain separate*
35 *accounting records include:*

- 36 (i) *Retail, manufacturing, service and other traditional*
37 *business activities;*
38 (ii) *Farming;*
39 (iii) *Raising and selling livestock and other animals;*
40 (iv) *Management of rental properties;*
41 (v) *Extraction of minerals and other natural resources;*
42 (vi) *Timber operations; and*

1 *1. To the extent not allocated to income under sections 15 to*
2 *44, inclusive, of this act, assets received from a transferor during*
3 *the transferor's lifetime, a decedent's estate, a trust with a*
4 *terminating income interest, or a payor under a contract naming*
5 *the trust or its trustee as beneficiary;*

6 *2. Money or other property received from the sale, exchange,*
7 *liquidation or change in form of a principal asset, including*
8 *realized profit, subject to sections 15 to 44, inclusive, of this act;*

9 *3. Amounts recovered from third parties to reimburse the*
10 *trust because of disbursements described in paragraph (g) of*
11 *subsection 1 of section 40 of this act or for other reasons to the*
12 *extent not based on the loss of income;*

13 *4. Proceeds of property taken by eminent domain, but a*
14 *separate award made for the loss of income with respect to an*
15 *accounting period during which a current income beneficiary had*
16 *a mandatory income interest is income;*

17 *5. Net income received in an accounting period during which*
18 *there is no beneficiary to whom a trustee may or must distribute*
19 *income; and*

20 *6. Other receipts as provided in sections 21, 22 and 23 of this*
21 *act.*

22 **Sec. 28.** *To the extent that a trustee accounts for receipts*
23 *from rental property pursuant to this section, he shall allocate to*
24 *income an amount received as rent of real or personal property,*
25 *including an amount received for cancelation or renewal of a*
26 *lease. An amount received as a refundable deposit, including a*
27 *security deposit or a deposit that is to be applied as rent for future*
28 *periods, must be added to principal and held subject to the terms*
29 *of the lease and is not available for distribution to a beneficiary*
30 *until the trustee's contractual obligations have been satisfied with*
31 *respect to that amount.*

32 **Sec. 29.** *1. An amount received as interest, whether*
33 *determined at a fixed, variable or floating rate, on an obligation to*
34 *pay money to the trustee, including an amount received as*
35 *consideration for prepaying principal, must be allocated to income*
36 *without any provision for amortization of premium.*

37 *2. A trustee shall allocate to principal an amount received*
38 *from the sale, redemption or other disposition of an obligation to*
39 *pay money to him more than 1 year after it is purchased or*
40 *acquired by him, including an obligation whose purchase price or*
41 *value when it is acquired is less than its value at maturity. If the*
42 *obligation matures within 1 year after it is purchased or acquired*
43 *by the trustee, an amount received in excess of its purchase price*
44 *or its value when acquired by the trust must be allocated to*
45 *income.*

1 3. *This section does not apply to an obligation to which*
2 *section 32, 33, 34, 35, 37 or 38 of this act applies.*

3 **Sec. 30.** 1. *Except as otherwise provided in this section, a*
4 *trustee shall allocate to principal the proceeds of a life insurance*
5 *policy or other contract in which the trust or its trustee is named*
6 *as beneficiary, including a contract that insures the trust or its*
7 *trustee against loss for damage to, destruction of, or loss of title to*
8 *a trust asset. He shall allocate dividends on an insurance policy*
9 *to income if the premiums on the policy are paid from income, and*
10 *to principal if the premiums are paid from principal.*

11 2. *A trustee shall allocate to income proceeds of a contract*
12 *that insures him against loss of occupancy or other use by an*
13 *income beneficiary, loss of income, or, subject to section 26 of this*
14 *act, loss of profits from a business.*

15 3. *This section does not apply to a contract to which section*
16 *32 of this act applies.*

17 **Sec. 31.** *If a trustee determines that an allocation between*
18 *principal and income required by section 32, 33, 34, 35 or 38 of*
19 *this act is insubstantial, the trustee may allocate the entire amount*
20 *to principal unless one of the circumstances described in*
21 *subsection 3 of section 18 of this act applies to the allocation. This*
22 *power may be exercised by a cotrustee in the circumstances*
23 *described in subsection 4 of section 18 of this act and may be*
24 *released for the reasons and in the manner described in subsection*
25 *5 of section 18 of this act. An allocation is presumed to be*
26 *insubstantial if:*

27 1. *The amount of the allocation would increase or decrease*
28 *net income in an accounting period, as determined before the*
29 *allocation, by less than 10 percent; or*

30 2. *The value of the asset producing the receipt for which the*
31 *allocation would be made is less than 10 percent of the total value*
32 *of the trust's assets at the beginning of the accounting period.*

33 **Sec. 32.** 1. *As used in this section, "payment" means a*
34 *payment that a trustee may receive over a fixed number of years or*
35 *during the life of one or more natural persons because of services*
36 *rendered or property transferred to the payor in exchange for*
37 *future payments. The term includes a payment made in money or*
38 *property from the payor's general assets or from a separate fund*
39 *created by the payor, including a private or commercial annuity,*
40 *an individual retirement account, and a pension, profit-sharing,*
41 *stock-bonus or stock-ownership plan.*

42 2. *To the extent that a payment is characterized as interest or*
43 *a dividend or a payment made in lieu of interest or a dividend, a*
44 *trustee shall allocate it to income. He shall allocate to principal*
45 *the balance of the payment and any other payment received in the*

1 same accounting period that is not characterized as interest, a
2 dividend or an equivalent payment.

3 3. If no part of a payment is characterized as interest, a
4 dividend or an equivalent payment, and all or part of the payment
5 is required to be made, a trustee shall allocate to income 10
6 percent of the part that is required to be made during the
7 accounting period and the balance to principal. If no part of a
8 payment is required to be made or the payment received is the
9 entire amount to which the trustee is entitled, he shall allocate the
10 entire payment to principal. For purposes of this subsection, a
11 payment is not "required to be made" to the extent that it is made
12 because the trustee exercises a right of withdrawal.

13 4. If, to obtain an estate tax marital deduction for a trust, a
14 trustee must allocate more of a payment to income than provided
15 for by this section, he shall allocate to income the additional
16 amount necessary to obtain the marital deduction.

17 5. This section does not apply to payments to which section 33
18 of this act applies.

19 **Sec. 33.** 1. As used in this section, "liquidating asset"
20 means an asset whose value will diminish or terminate because the
21 asset is expected to produce receipts for a period of limited
22 duration. The term includes a leasehold, patent, copyright, royalty
23 right and right to receive payments during a period of more than 1
24 year under an arrangement that does not provide for the payment
25 of interest on the unpaid balance. The term does not include a
26 payment subject to section 32 of this act, resources subject to
27 section 34 of this act, timber subject to section 35 of this act, an
28 activity subject to section 37 of this act, an asset subject to section
29 38 of this act, or any asset for which the trustee establishes a
30 reserve for depreciation under section 41 of this act.

31 2. A trustee shall allocate to income 10 percent of the receipts
32 from a liquidating asset and the balance to principal.

33 **Sec. 34.** 1. To the extent that a trustee accounts for receipts
34 from an interest in minerals or other natural resources pursuant
35 to this section, the trustee shall allocate them as follows:

36 (a) If received as nominal delay rental or nominal annual rent
37 on a lease, a receipt must be allocated to income.

38 (b) If received from a production payment, a receipt must be
39 allocated to income if and to the extent that the agreement
40 creating the production payment provides a factor for interest or
41 its equivalent. The balance must be allocated to principal.

42 (c) If an amount received as a royalty, shut-in-well payment,
43 take-or-pay payment, bonus or delay rental is more than nominal,
44 90 percent must be allocated to principal and the balance to
45 income.

1 (d) *If an amount is received from a working interest or any*
2 *other interest not provided for in paragraph (a), (b) or (c), 90*
3 *percent of the net amount received must be allocated to principal*
4 *and the balance to income.*

5 2. *An amount received on account of an interest in water that*
6 *is renewable must be allocated to income. If the water is not*
7 *renewable, 90 percent of the amount must be allocated to principal*
8 *and the balance to income.*

9 3. *Sections 15 to 44, inclusive, of this act apply whether or*
10 *not a decedent or donor was extracting minerals, water, or other*
11 *natural resources before the interest became subject to the trust.*

12 4. *If a trust owns an interest in minerals, water or other*
13 *natural resources on October 1, 2003, the trustee may allocate*
14 *receipts from the interest as provided in sections 15 to 44,*
15 *inclusive, of this act or in the manner used by the trustee before*
16 *October 1, 2003. If the trust acquires an interest in minerals, water*
17 *or other natural resources after October 1, 2003, the trustee shall*
18 *allocate receipts from the interest as provided in sections 15 to 44,*
19 *inclusive, of this act.*

20 **Sec. 35. 1.** *To the extent that a trustee accounts for receipts*
21 *from the sale of timber and related products pursuant to this*
22 *section, the trustee shall allocate the net receipts:*

23 (a) *To income to the extent that the amount of timber removed*
24 *from the land does not exceed the rate of growth of the timber*
25 *during the accounting periods in which a beneficiary has a*
26 *mandatory income interest;*

27 (b) *To principal to the extent that the amount of timber*
28 *removed from the land exceeds the rate of growth of timber or the*
29 *net receipts are from the sale of standing timber;*

30 (c) *To or between income and principal if the net receipts are*
31 *from the lease of timberland or from a contract to cut timber from*
32 *land owned by a trust, by determining the amount of timber*
33 *removed from the land under the lease of contract and applying*
34 *the rules in paragraphs (a) and (b); or*

35 (d) *To principal to the extent that advance payments, bonuses*
36 *and other payments are not allocated pursuant to paragraph (a),*
37 *(b) or (c).*

38 2. *In determining net receipts to be allocated pursuant to*
39 *subsection 1, a trustee shall deduct and transfer to principal a*
40 *reasonable amount for depletion.*

41 3. *Sections 15 to 44, inclusive, of this act apply whether or*
42 *not a decedent or transferor was harvesting timber from the*
43 *property before it became subject to the trust.*

44 4. *If a trust owns an interest in timberland on October 1,*
45 *2003, the trustee may allocate net receipts from the sale of timber*

1 *and related products as provided in sections 15 to 44, inclusive, of*
2 *this act or in the manner used by the trustee before October 1,*
3 *2003. If the trust acquires an interest in timberland after*
4 *October 1, 2003, the trustee shall allocate net receipts from the*
5 *sale of timber and related products as provided in sections 15 to*
6 *44, inclusive, of this act.*

7 **Sec. 36. 1.** *If a marital deduction is allowed for all or part*
8 *of a trust whose assets consist substantially of property that does*
9 *not provide the surviving spouse with sufficient income from or*
10 *use of the trust assets, and if the amounts that the trustee transfers*
11 *from principal to income under section 18 of this act and*
12 *distributes to the spouse from principal pursuant to the terms of*
13 *the trust are insufficient to provide the spouse with the beneficial*
14 *enjoyment required to obtain the marital deduction, the spouse*
15 *may require the trustee to make property productive of income,*
16 *convert property within a reasonable time, or exercise the power*
17 *conferred by subsection 1 of section 18 of this act. The trustee may*
18 *decide which action or combination of actions to take.*

19 **2.** *In cases not governed by subsection 1, proceeds from the*
20 *sale or other disposition of an asset are principal without regard to*
21 *the amount of income the asset produces during any accounting*
22 *period.*

23 **Sec. 37. 1.** *As used in this section, "derivative" means a*
24 *contract of financial instrument or a combination of contracts and*
25 *financial instruments which gives a trust the right or obligation to*
26 *participate in some or all changes in the price of a tangible or*
27 *intangible asset or group of assets, or changes in a rate, an index*
28 *of prices or rates, or other market indicator for an asset or a group*
29 *of assets.*

30 **2.** *To the extent that a trustee accounts for transactions in*
31 *derivatives pursuant to this section, he shall allocate to principal*
32 *receipts from and disbursements made in connection with those*
33 *transactions.*

34 **3.** *If a trustee grants an option to buy property from the trust,*
35 *whether or not the trust owns the property when the option is*
36 *granted, grants an option that permits another person to sell*
37 *property to the trust, or acquires an option to buy property for the*
38 *trust or an option to sell an asset owned by the trust, and the*
39 *trustee or other owner of the asset is required to deliver the asset if*
40 *the option is exercised, an amount received for granting the option*
41 *must be allocated to principal. An amount paid to acquire the*
42 *option must be paid from principal. A gain or loss realized upon*
43 *the exercise of an option, including an option granted to a settlor*
44 *of the trust for services rendered, must be allocated to principal.*

1 **Sec. 38. 1.** *As used in this section, "asset-backed security"*
2 *means an asset whose value is based upon the right it gives the*
3 *owner to receive distributions from the proceeds of financial assets*
4 *that provide collateral for the security. The term includes an asset*
5 *that gives the owner the right to receive from the collateral*
6 *financial assets only the interest or other current return or only*
7 *the proceeds other than interest or current return. The term does*
8 *not include an asset to which section 24 or 32 of this act applies.*

9 2. *If a trust receives a payment from interest or other current*
10 *return and from other proceeds of the collateral financial assets,*
11 *the trustee shall allocate to income the portion of the payment*
12 *which the payor identifies as being from interest or other current*
13 *return and shall allocate the balance of the payment to principal.*

14 3. *If a trust receives one or more payments in exchange for*
15 *the trust's entire interest in an asset-backed security in one*
16 *accounting period, the trustee shall allocate the payments to*
17 *principal. If a payment is one of a series of payments that will*
18 *result in the liquidation of the trust's interest in the security over*
19 *more than one accounting period, the trustee shall allocate 10*
20 *percent of the payment to income and the balance to principal.*

21 **Sec. 39.** *A trustee shall make the following disbursements*
22 *from income to the extent that they are not disbursements to which*
23 *paragraph (b) or (c) of subsection 2 of section 19 of this act*
24 *applies:*

25 1. *One-half of the regular compensation of the trustee and of*
26 *any person providing advisory or custodial services to the trustee*
27 *concerning investment;*

28 2. *One-half of all expenses for accountings, judicial*
29 *proceedings, or other matters that involve both the income and*
30 *remainder interests;*

31 3. *All the other ordinary expenses incurred in connection*
32 *with the administration, management or preservation of trust*
33 *property and the distribution of income, including interest,*
34 *ordinary repairs, regularly recurring taxes assessed against*
35 *principal, and expenses of a proceeding or other matter that*
36 *concerns primarily the income interest; and*

37 4. *Recurring premiums on insurance covering the loss of a*
38 *principal asset or the loss of income from or use of the asset.*

39 **Sec. 40. 1.** *A trustee shall make the following*
40 *disbursements from principal:*

41 (a) *The remaining one-half of the disbursements described in*

19 *on environmental matters.*

20 2. *If a principal asset is encumbered with an obligation that*
21 *requires income from that asset to be paid directly to the creditor,*
22 *the trustee shall transfer from principal to income an amount*
23 *equal to the income paid to the creditor in reduction of the*
24 *principal balance of the obligation.*

25 **Sec. 41.** 1. *As used in this section, “depreciation” means a*

30 *of the net cash receipts from a principal asset that is subject to*
31 *depreciation, but may not transfer any amount for depreciation:*

42 *disbursement described in this section, he may transfer an*
43 *appropriate amount from income to principal in one or more*
44 *accounting periods to reimburse principal or to provide a reserve*
45 *for future principal disbursements.*

16 *of section 40 of this act.*

17 3. *If the asset whose ownership gives rise to the*

19 *after an income interest ends, a trustee may continue to transfer*
20 *amounts from income to principal as provided in subsection 1.*

21 **Sec. 43.** 1. *A tax required to be paid by a trustee based on*
22 *receipts allocated to income must be paid from income.*

23 2. *A tax required to be paid by a trustee based on receipts*
24 *allocated to principal must be paid from principal, even if the tax*
25 *is called an income tax by the taxing authority.*

26 3. *A tax required to be paid by a trustee on the trust's share*
27 *of an entity's taxable income must be paid proportionately:*

28 (a) *From income to the extent that receipts from the entity are*

32 (2) *The trust's share of the entity's taxable income exceeds*

38 **Sec. 44.** 1. *A fiduciary may make adjustments between*
39 *principal and income to offset the shifting of economic interests or*
40 *tax benefits between income beneficiaries and remainder*

8 2. *If the amount of an estate tax marital deduction or*
9 *charitable contribution deduction is reduced because a fiduciary*
10 *deducts an amount paid from principal for income tax purposes*
11 *instead of deducting it for estate tax purposes, and as a result*
12 *estate taxes paid from principal are increased and income taxes*
13 *paid by an estate, trust or beneficiary are decreased, each estate,*
14 *trust or beneficiary that benefits from the decrease in income tax*
15 *shall reimburse the principal from which the increase in estate tax*
16 *is paid. The total reimbursement must equal the increase in the*
17 *estate tax to the extent that the principal used to pay the increase*
18 *would have qualified for a marital deduction or charitable*
19 *contribution deduction but for the payment. The proportionate*
20 *share of the reimbursement for each estate, trust or beneficiary*
21 *whose income taxes are reduced must be the same as its*
22 *proportionate share of the total decrease in income tax. An estate*
23 *or trust shall reimburse principal from income.*
